## ASSIGNMENT OF PATENT APPLICATION

THIS ASSIGNMENT is made by and between Jesse Darley, an individual with a principal address at 110 Alden Drive, Madison, Wisconsin 53705 ("Assignor") and Ciari Guitars, Inc., a Delaware corporation with a principal address at 1570 Willow Street, San Diego, California 92106 ("Assignee").

1. Assignor is an inventor of certain inventions and improvements (the "Invention") shown, described and/or claimed in the following Patent(s) and/or Patent Application(s):

**Title:** Foldable Stringed Instrument

**App. Ser. No.** 17/471,287

**Filing Date:** September 10, 2021

**Title:** Foldable Stringed Instrument

**App. Ser. No.** 16/757353 (now US Patent 11,120,776 issued Sept 14, 2021)

**Filing Date:** September 17, 2020

**Title:** Foldable Stringed Instrument

**App. Ser. No.** PCT /US2018/056802

**Filing Date:** October 19, 2018

**Title:** Foldable Stringed Instrument

**App. Ser. No.** 62/574,246

**Filing Date:** October 19, 2017

2. Assignor created the Invention within the scope of his engagement with Assignee. Assignor has the full right to convey the entire interest herein assigned and has not executed and will not execute any agreement or do anything in conflict herewith.

3. Assignee desires to acquire from Assignor, and Assignor desires to assign to Assignee, the entire right, title and interest in and to the said application, inventions and improvements and any patents that may be granted on or as a result thereof in the United States of America (U.S.) and in any and all foreign countries.

4. NOW THEREFORE, for good and valuable consideration, the receipt of which is acknowledged, Assignor hereby assigns to Assignee the entire right, title and interest in and to said application, inventions and improvements throughout the world and to any and all patents, petty patents, utility model patents, PCT applications, and international patents which may be granted therefore, and all continuations, continuations-in-part, divisions, reissues,

extensions, and renewals thereof, and all related rights, including the right to claim priority and any and all applications claiming priority to said application, as well as all rights and claims for the infringement thereof, for Assignee's own use and for the use of its successors, assigns, or other legal representatives, to the end of the term or terms for which any Letters Patents are or may be granted or reissued, as fully and entirely as the same would have been held by Assignor if the assignment had not been made, together with all claims for damages by reason of past infringement of the Letters Patent, with the right to sue for and collect the same for Assignee's own use and for the use of its successors, assigns, or other legal representatives.

5. Assignor agrees to communicate to Assignee and its authorized legal representatives any facts known to Assignor respecting the Invention, to execute all divisional, continuation, continuation-in-part, renewal, reissue, PCT and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to the Invention, sign all lawful documents which Assignee and its authorized legal representatives shall consider desirable for aiding in securing and maintaining proper protection for the Invention and to testify or otherwise assist in any judicial and/or administrative proceeding to aid Assignee and its authorized legal representatives to obtain, enforce, and defend all rights in the Invention.

The parties hereby grant attorneys of Assignee the power to insert into this document information sufficient to identify the patent application to which this assignment pertains, if not already known upon execution.
