# ORIGINAL ASSIGNMENT

For valuable consideration, I

Steven Rizea of  
(Type name of inventor)

Residence Address:

6838 Axis West Circle, Apt. 2407  
Orlando, FL 32821  
US

Citizenship: US

the below signed joint inventor, hereby assign to

**Deep Reach Technology, Inc.**

a corporation having a place of business at

**14121 Cardinal Lane  
Houston, TX 77079**

and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are described or claimed in U.S. Provisional Application No. 62/783,165, having the attorney docket number D34161US, entitled:

## **Multiphase Separation and Pressure Letdown Method**

This assignment includes said application, any and all United States and foreign patents, utility models, design registrations, inventor's certificates and other similar rights granted for any of said inventions or improvements, including any and all divisional applications, continuations, and continuations-in-part together with the entire right, title and interest in and to said applications, and to all divisional applications, continuations, and continuations in part thereof, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. I hereby authorize the Assignee to apply in all countries in my name, or in its own name, for patents, utility models, design registrations and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I agree for myself and my heirs, legal representatives and assignees, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

IN WITNESS WHEREOF, I hereby set my hand, date of signature and place of signature as indicated below.
