ASSIGNMENT NUNC PRO TUNC

WHEREAS, IPE, Inc., a Delaware Corporation, having a principal office address of 300 E. Main Street, Johnson City, Tennessee 37601 ("IPE"), is the owner of U.S. Letters Patent No. 9,526,701, entitled SUSTAINED DRUG RELEASE AND IMPROVED PRODUCT STABILITY USING NON-COVALENT PARTICLE COATING METHODS, and U.S. Letters Patent No. 8,673,269, entitled HALOGENATED PHENOLS FOR DIAGNOSTICS, ANTIOXIDANT PROTECTION AND DRUG DELIVERY (together, the "Patents");

AND WHEREAS, Keith Latham, an individual having an address of 100 Coley Street, Kingsport, Tennessee 37660, acquired all of the right, title and interest in and to said Patents from IPE as of July 16, 2014;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, IPE does hereby sell, assign, transfer and set over unto Keith Lathan, and his heirs, successors and assigns, as of July 16, 2014, the entire right, title and interest in and to the Patents, and in and to any and all continuations, continuations-in-part, divisions, substitutes, reissues, and extensions thereof, and in and to all other application(s) for Letters Patent for said invention which have been or shall be filed in the United States, its territorial possessions, and any foreign country; and in and to any and all

Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts and treaties.

UPON SAID CONSIDERATIONS, IPE hereby agrees with said assignee, its legal representatives, successors, and assigns, that IPE will not execute any writing or do any act whatsoever conflicting with these presents, and that IPE will, at any time upon request, without further or additional consideration, but at the expense of said assignee, its legal representatives, successors, and assigns, execute such additional assignments and other writings and do such additional acts as said assignee, its legal representatives, successors, and assigns may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, reexamined, reissued, or extended Letters Patent, and making application for any divisions, continuations, and/or continuations-in-part thereof, in the United States and/or in any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such application(s) for

patents, and by executing preliminary statements, oaths and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee.

IN WITNESS WHEREOF, this Assignment Nunc Pro Tunc is executed this the 6th day of January, 2022.
