Exhibit A

ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, Michael W. May, an individual residing at 801 Oak Hollow Road, Lakewood, Illinois 60014 ("Assignor"), does hereby assign, transfer and convey unto DVA Mayday Corporation, an Illinois corporation having its place of business at 801 Oak Hollow Road, Crystal Lake, Illinois 60014 ("Assignee"), all of Assignor's entire right, title and interest in and to all patents and patent applications listed in the attached Exhibit 1 and the inventions disclosed therein (collectively "Patent Rights"), to have and to hold the same, unto Assignee for its own use and enjoyment and for the use and enjoyment of its successors and assigns.

In addition, Assignor agrees to and hereby does sell, assign, transfer and convey unto Assignee all rights (i) in and to causes of action and enforcement rights for the Patent Rights including all rights to pursue past, present or future damages, injunctive relief and other remedies for past, present and future infringement of the Patent Rights and the sole right to sue therefor under such Patent Rights, (ii) the right to apply (or continue prosecution) in any and all countries of the world for patents, design patents, utility models, certificates of invention or other governmental grants for the Patent Rights, including under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement or understanding, and to have any resulting patents issue in the name of Assignee; (iii) the right to file additional applications based on the Patent Rights and have any resulting patents issue in the name of Assignee; and (iv) the rights, if any, to revive prosecution of any abandoned Patent Rights.

Assignor also hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents, design patents, utility models, certificates of invention or equivalent which may be granted upon any of the Patent Rights or additional applications based on the Patent Rights in the name of Assignee, as the assignee to the entire interest therein.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its successor and other legal representatives, and shall be binding upon Assignor, its successor, assigns and other legal representatives.

IN WITNESS WHEREOF, Assignor has caused this Assignment of Patent Rights to be duly signed on its behalf.

Michael W. May
