CONFIRMATORY LICENSE AGREEMENT

Application Identification:

Invention Title: Coaxial Connector

Inventors: Efrem Press, Parmanand Shiwamangal, and Michael Jeffrey Anderson

Application Serial No.: 29796688

U.S. Filing Date: 25 JUNE 2021

The invention described in the application (patent) identified above is a Subject Invention as defined in a Cooperative Research and Development Agreement between the U.S. Army Tank Automotive Research, Development and Engineering Center which is now the U.S. Army Combat Capabilities Development Command (DEVCOM) Ground Vehicle Systems Center (GVSC) and Atlas Scientific, LLC.

This document is confirmatory of the Government's right of a nonexclusive, nontransferable, irrevocable, paid-up license to practice the Subject Invention or have the Subject Invention practiced, throughout the world by, or on behalf of the U.S. Government granted under the terms of this Cooperative Research and Development Agreement.

The Government is granted an irrevocable power to inspect and make copies of the above-identified application.

Signed this 11TH day of August 2021

(CORPORATE SEAL)

Atlas Scientific, LLC
