PATENT SECURITY AGREEMENT

This PATENT SECURITY AGREEMENT, dated as of January 12, 2022, by CORVIL LIMITED, a limited company registered in Ireland with registered number 288261 (the “*Grantor*”), in favor of OBSIDIAN AGENCY SERVICES, INC., having an address at 2951 28th Street, Suite 1000, Santa Monica, CA 90405, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, together with its successors and assigns, the “*Collateral Agent*”).

WITNESSETH:

WHEREAS, the Grantor is party to a Guarantee and Collateral Agreement, dated as of February 7, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*GCA*”), in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Patent Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the GCA and used herein have the meaning given to them in the GCA.

SECTION 2. Grant of Security Interest in Patent and Patent License Collateral. The Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in all of its right, title and interest in, to and under all the following Collateral of the Grantor:

- A. all Patents of the Grantor, including the Patents listed on Schedule I attached hereto;
- B. all Proceeds of any and all of the foregoing; and
- C. all rights to sue for past, present or future infringements thereof.

Notwithstanding anything to the contrary contained in clauses A, B and C above, the security interest created by this Patent Security Agreement shall not extend to any Excluded Assets.

SECTION 3. Guarantee and Collateral Agreement. The security interest granted pursuant to this Patent Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the GCA and the Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Patents made and granted hereby are more fully set forth in the GCA, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Patent Security Agreement is deemed to conflict with the GCA, the provisions of the GCA shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Secured Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations) and termination of the GCA, the Collateral Agent shall execute, acknowledge, and deliver to

the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Patents under this Patent Security Agreement.

SECTION 5. Counterparts. This Patent Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Patent Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Security Registrations. The Grantor irrevocably and unconditionally authorises Mason Hayes & Curran LLP to do, at the cost and expense of the Grantor, all acts and sign on its behalf all required documents and forms as the Collateral Agent and/or Mason Hayes & Curran LLP may consider necessary or desirable to ensure compliance with the procedure under section 409(3) or 409(4) of the Companies Act 2014. For the avoidance of doubt, this clause permits the Collateral Agent and Mason Hayes & Curran LLP to insert its or their employees' respective e-mail addresses (or such other e-mail address as it or they may elect) in any form filed under section 409 of the Companies Act 2014 for the purposes of receiving a certificate of registration of a charge from the Companies Registration Office. The Grantor agrees and acknowledges that it is its responsibility to comply with section 409 of the Companies Act and that Mason Hayes & Curran LLP has no liability or responsibility to the Grantor for any failure to comply in full or in part with that section.

[signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Patent Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

Signed and delivered as a deed for and on behalf of **CORVIL LIMITED** by its lawfully appointed attorney in the presence of:
