## ASSIGNMENT

WHEREAS, I Johnny Boufarhat, of Barcelona, Spain (“Assignor”) have invented, developed, and conceived of, certain new, original, and ornamental invention(s) and design(s) for a DISPLAY SCREEN WITH GRAPHICAL USER INTERFACE;

WHEREAS, the Assignor is about to make or has made an Application for Letters Patent of the United States or a foreign country; and

WHEREAS, Hopin Ltd, having its principal place of business at 5 Churchill Place, 10<sup>th</sup> Floor, London, United Kingdom E14 5HU (“Assignee”), is desirous of acquiring an interest in, to, and under said invention(s), ornamental design(s), and any improvements thereof, said Design Application(s), and any and all Design Letters Patent(s) that may be granted for or upon said invention(s), ornamental design(s), and any improvements thereof in the United States and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor shall assign and hereby does assign to Assignee the full and exclusive right, title, and interest, throughout the world, in, to, and under the following;

- (a) said invention(s), ornamental design(s), and any improvements thereof;
- (b) said invention(s), ornamental design(s), and any improvements thereof as set forth and described in said Design Application(s) for Design Letters Patent, which are identified by attorney Docket No(s). 2838-14.00 and U.S. Application Serial No. 29/814,867, filed November 9, 2021;
- (c) said Design Application(s);
- (d) any and all applications from which said Application claims priority;

- (e) any and all refilings, divisionals, and continuations of said Design Application;
- (f) any and all Design Letters Patent of the United States that may issue from said Application, refilings, divisionals, and continuations;
- (g) any and all reissues of said Design Letters Patent of the United States;
- (h) any and all design applications for Letters Patent on said invention(s), ornamental design(s), or any improvements thereof that may hereafter be filed in any and all countries foreign to the United States, together with all rights to file and to claim priority in connection with said foreign-filed applications or registrations;
- (i) any and all refilings, divisionals, and continuations of said foreign-filed design applications;
- (j) any and all Letters Patent of countries foreign to the United States that may issue from said foreign-filed design applications, refilings, divisionals, and continuations;
- (k) any and all extensions of, and additions to, said Design Letters Patent of countries foreign to the United States; and
- (l) any and all reexaminations, *inter partes* reviews, post-grant reviews, covered business method reviews, oppositions, or other post-issuance procedures for any said Design Letters Patent of the United States or countries foreign to the United States.

ALL of the above shall be held and enjoyed by said Assignee for its own use and for its successors, legal representatives, and assigns, to the full end of the term for which any of said Letters Patent may be granted.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.
