ARDISAM, INC., a Wisconsin corporation having a place of business at 1160 8th Avenue, Cumberland, WI 54829 ("Assignee"), desires to acquire the entire right, title, and interest in and to the Invention(s) and the Application, and in and to any patents (collectively, "Patents") that may be granted for the Invention(s) in the United States or in any foreign countries.

Assignors hereby authorize issue of any Patent, when granted, to the Assignee as the assignee of the entire right, title and interest, and to its successors and assigns, to the full end of the term for which Patents may be granted, as if the same would have been held by Assignors had this Assignment and sale not been made.

Further, Assignors agree to communicate to the the Assignee or its representatives any facts respecting the invention, and testify in any legal proceeding, sign all lawful papers,

execute all divisional, continuation and reissue applications and assignment papers to cause all Patents to be issued to the Assignee, and, generally do everything possible to aid the Assignee, its successors and assigns, to obtain and enforce proper protection for the invention in any country.

This Assignment may be executed in counterparts.
