ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned inventor:

**Adan K. Pope
Michel Brkovic**

hereby sell, assign, and transfer to, and agree to sell, assign, and transfer to:

INTRADO LIFE & SAFETY, Inc.

having a principal place of business at 11808 Miracle Hills Drive, Omaha, NE 68154 ("Assignee"), and its successors, assigns, and legal representatives, the entire right, title, and interest in the United States and all other countries and jurisdictions, in and to any and all inventions and improvements that are disclosed in the provisional patent application entitled:

SAFETY NETWORK OF THINGS

(I hereby authorize and request any attorney having appropriate authority from the assignee to insert on the designated lines below, the filing date and application number of said application when known.)

which was filed on December 12, 2021 as

US Application Number 17/548,564 and
COUNTRY or International Office

and in and to said application and all Additional Applications, and all other patent applications that have been or shall be filed in the United States and all other countries, jurisdictions, and international filing offices on any of said inventions and improvements; and in and to all original and reissued patents that have been or shall be issued in the United States and all other countries and international filing offices on said inventions and improvements; and in and to all rights of priority resulting from the filing of said applications; as used herein "Additional Applications" includes, but is not limited, to provisional, design, utility, utility model, divisional, continuation, continuation-in-part, substitute, renewal, reissue, international, and national phase applications on said inventions and improvements;

and agree that said Assignee may apply for and receive a patent or patents for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of,

said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all Additional Applications, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally assist said Assignee, its successors, assigns, or legal representatives in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
