Application No.: US 29/651,458

Filing Date: August 16, 2018

ASSIGNMENT

WHEREAS I/We, Gregory T. HULAN of Poway, California USA and Philip T. PUPA of San Diego, California USA; have made a certain new and useful invention / design as set forth in an application for United States Letters Patent, entitled CENTRAL CONTROLLER, which was filed on August 16, 2018, and identified by United States Patent Application No. 29/651,458;

AND WHEREAS, CareFusion 303, Inc., a corporation of the State of Delaware and having an address of 3750 Torrey View Court, San Diego, California 92130 is desirous of acquiring the entire right, title and interest in and to said invention / design and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I/we do hereby sell, assign, transfer and set over unto CareFusion 303, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention / design as set forth in the above-mentioned application, including the right of priority and including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention / design in addition to all claims for damages (including Canadian Application No. 186146; New Zealand Application No. 425720; European (EUIPO) Application Nos. 006256087-0001 and 006256087-0002; and Australian Application Nos. 201910825 and 201913146) and all remedies arising out of any violation of the rights assigned prior to or accruing after execution of this agreement;

UPON SAID CONSIDERATIONS, I/we hereby agree with the said assignee that I/we will not execute any writing or do any act whatsoever conflicting with these presents, and that I/we will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention / design, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND I/we request the Commissioner for Patents and Trademarks, and any Official of any country or countries foreign to the United states, whose duty it is to issue patents on applications for said invention / design, to issue any related Letters Patent to CareFusion 303, Inc., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention / design covered thereby;

Application No.: US 29/651,458

Filing Date: August 16, 2018

AND if I/we cannot be located or are unable or unwilling to sign documents as required under this agreement, I/we agrees and does hereby appoint CareFusion 303, Inc., its legal representatives, successors or assigns attorney-in-fact for the limited purpose of executing all documents and performing all other acts necessary to give effect and legality to the provisions of this agreement. I/we acknowledge that this appointment is coupled with an interest and is irrevocable.
