DECLARATION/ASSIGNMENT FOR UTILITY OR DESIGN PATENT APPLICATION
USING AN APPLICATION DATA SHEET

Title of Invention: Subsurface Warming System For An Athletic Field

As the below named inventor, I hereby declare that:

This Declaration is directed to:

☒ The attached application

OR

☐ United States Application Number or PCT International Application
 Number _____ filed on _____.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of an invention that is claimed in the above-identified application ("the Application"), and to the extent applicable, I authorize the preparing and the filing of this Application with the United States Patent and Trademark Office ("USPTO").

I have reviewed and understand the contents of the above-identified application, including the claims.

I am aware of the duty to disclose to the USPTO all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

I hereby claim the benefit under Title 35, United States Code, § 120 and/or § 119(e) of any United States application(s) listed below:

63/138,663	January 18, 2021	Pending
(Serial No.)	(Filing Date)	(Status: Patented, Pending, or Abandoned)

I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s)	Priority Claimed?
	() Yes () No
(Number)	(Country) Day/Month/Year Filed

I hereby acknowledge that any willful false statement made in this paper is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Whereas, Technology Licensing Corp., 3607 Church Street, Cincinnati, OH 45244 ("TLC") desires to acquire (or alternatively, has already acquired), and each undersigned inventor desires to grant to TLC, the entire worldwide right, title, and interest in and to the subject matter described in the Application, and any and all other U.S. and/or non-U.S. patents to be issued thereon, and all priority rights related to the Application ("the Patent Rights").

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, each undersigned inventor ("ASSIGNOR") hereby: a) assigns to TLC his/her entire worldwide right, title, and interest in and to the Patent Rights, including the Application, and any continuing or related applications based thereon, including reissues and/or reexamination certificates, and further including all rights and interests related to claiming priority under applicable patent conventions or treaties; b) authorizes and requests the U.S. Commissioner of Patents to issue to TLC or to its legal representatives and assigns all future U.S. Letters Patent granted on the subject matter disclosed in the Application; and c) agrees to cooperate with TLC, as deemed reasonably necessary by TLC, to assist in prosecuting any and all U.S. or non-U.S. applications related to the Patent Rights, including the Application.

Regardless of whether such obligation arises out of the ASSIGNOR's employment with TLC or via a contract with TLC as an independent contractor, each ASSIGNOR hereby acknowledges his/her prior and ongoing obligation to assign to TLC all of the rights enumerated in this Assignment, and each such ASSIGNOR further acknowledges that he/she has the full and unencumbered right to assign the rights hereby assigned, and also agrees to not execute any document or take any action which would conflict with this Assignment.

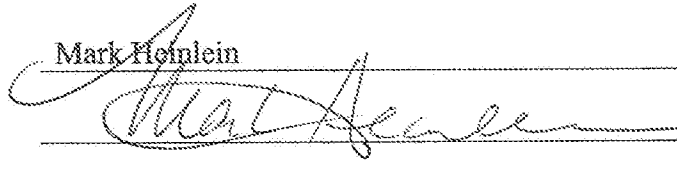

Each ASSIGNOR also hereby grants TLC the right to insert into this document any further information deemed necessary by TLC to identify the Application, such as the Serial Number. This includes the right to update this document to include information regarding related cases.

I hereby acknowledge that any willful false statement made in this Declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
