## CONFIRMATORY PATENT ASSIGNMENT

THIS CONFIRMATORY PATENT ASSIGNMENT, is made by me, Andrew J. Barko's, and I am a joint inventor of the invention described and set forth in U.S. Patent Application No. 16/414,103;

WHEREAS, by virtue of a prior assignment recorded in the United States Patent Office on November 16, 2020, on Reel 054379, Frame 0284, I assigned to Energizer Brands, LLC, all my right, title, and interest in and to the inventions, applications, and patents, and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on any patent application claiming priority from the same in the United States and all countries throughout the world, and to claim the priority from the applications as provided by the Paris Convention;

WHEREAS, in said prior assignment recorded in the United States Patent Office, on Reel 054379, Frame 0084, my legal name was incorrectly identified on the third page of the assignment as "Andrew L. Barko", instead of Andrew J. Barko, my legal name;

FOR THE AVOIDANCE OF DOUBT, I am executing the present confirmatory assignment to confirm my correct legal name as Andrew J. Barko, and to confirm the assignment of rights is from Andrew J. Barko (not Andrew L. Barko) to Energizer Brands, LLC. This Assignment shall in no way modify the prior assignment recorded in the United States Patent Office on November 16, 2020, on Reel 054379, Frame 0284, but shall merely confirm my legal name.

IN TESTIMONY WHEREOF, I have signed my name on the date indicated.

Dated: 1/11/22
