ASSIGNMENT

WHEREAS, I, Manojkumar M. Nair, residing at the address listed below, have invented an invention entitled "SAMPLE PREPARATION CARTRIDGES AND APPARATUSES" ("Invention") for which a PCT International Application was filed on July 14, 2020 and assigned PCT International Application No. PCT/US2020/041875.

WHEREAS, by virtue of my employment agreement with LexaGene, Inc. ("LexaGene"), I am obligated to assign my entire right, title, and interest in the Invention to LexaGene and its successors and assigns;

WHEREAS, LexaGene is desirous of acquiring the entire right, title, and interest in the Invention and in any and all patents which may be granted therefor in the United States and in any and all foreign countries; and

NOW, THEREFORE, I, the undersigned, hereby assign to LexaGene and its successors and assigns, my entire right, title, and interest in the Invention in the United States and in any and all foreign countries and my entire right, title, and interest in any and all patents which may be granted therefor in the United States and in any and all foreign countries and in any and all divisional, continuation, continuation-in-part, substitution, renewal, and reissue patent applications thereof.

I hereby authorize and request the Patent Office officials in the United States and in any and all foreign countries to issue any and all patents, when granted, to LexaGene as the assignee of the entire right, title and interest in the same and for the sole use and benefit of LexaGene and its successors and assigns.

FURTHER, I agree that I shall communicate to LexaGene, or its representatives, any and all facts known to me regarding the Invention; testify in any and all legal proceedings; sign any and all lawful papers; execute any and all original, divisional, continuation, continuation-in-part, substitution, renewal, and reissue patent applications; execute any and all necessary assignment papers to cause any and all patents to be issued to LexaGene; make any and all rightful oaths or declarations; and generally do everything reasonably possible to aid LexaGene and its successors and assigns in obtaining, maintaining, and enforcing proper protection for the Invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have understood, agreed to, and signed this assignment on
07/30, 2020.
