## Assignment of Application

WHEREAS, I, Jared Burma of 2313 SE Taylor Court, Waukee, Iowa 50263,

have invented certain new and useful improvements in the AUGER CLEANED INACCESSIBLE FLOOR (Application No. 62/805,785 filed February 14, 2019).

WHEREAS, CUSTOMIZED ENVIRONMENTAL SOLUTIONS INC. (hereinafter referred to as "Assignee") having a place business at: 2045 Grand Ave. Suite A, West Des Moines, Iowa 50265, is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, We do sell, assign, and transfer unto said Assignee the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application(s)) and the entire right, title, and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, or substitutions and renewals thereof.

We hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the assignee of our entire right, title, and interest in and to the same, for the sole use and behoove of said Assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this Assignment and sale not been made.

Further, We agree that we will communicate to said Assignee or its representatives any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, and execute all divisional, continuation, substitute, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

The undersigned hereby grants the firm of Baird Holm, LLP of 1700 Farnam Street, Omaha, Nebraska 68102 the power to insert on this assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
