RECITALS:

- A. The Assignors are the inventors of the inventions ("the Inventions") disclosed in Australian provisional patent application no. 2019902393 ("the Patent Application") filed 5 July 2019 and relating to a Post Support and related methods.
- B. The Assignors wish to confirm that all right, title and interest in and to the Inventions and the Patent Applications passes to Bellevue.
- C. Bellevue wishes confirm that, consequent to prior agreement between the parties, the rights to inventions and other intellectual property created by or on behalf of or acquired by Bellevue pass to Topaz.

THIS DEED WITNESSES as follows:

1. EFFECT OF DEED

Each party acknowledge that this Deed is effective on and from the above-mentioned date.

2. ACKNOWLEDGEMENT

Tim confirms that his contribution to the Inventions was made in the course of his role with Bellevue, and, as a partner of the Timothy J and Leanne B Shedden Family Partnership, any intellectual property created in that role passes to Bellevue.

Jamie and Jason confirm that their contributions to the Inventions were made in their course of employment with Bellevue.

Bellevue confirms that any intellectual property rights residing in the Inventions or the Patent Application reside with Topaz.

The Assignors and Bellevue confirm that Topaz is entitled to all right title and interest in the Inventions and the Patent Application absolutely.

3. ASSIGNMENT

To the extent that any Assignor holds any right, title or interest in or to any of the Inventions or the Patent Application, those Assignors hereby each assign to the Assignee absolutely all their right, title and interest in and to:

- a. The Inventions and the Patent Application, including, without limitation, the right to apply for patents and design registrations, or similar legal protection in respect of the Invention in any country or region of the world, including refiling of applications directed to the invention, divisional applications, continuation or a continuation in part application, or an application made under the Patent Cooperation Treaty, including any regional phase entry deriving therefrom, including all rights of priority to applications directed to the invention, so that any patents or similar legal protection granted on any or all such applications shall be in the name of, and any such patents or similar protection shall vest in the name of the Assignee; and
- b. All powers privileges and immunities arising or accrued in respect of the Invention and any applications directed thereto, including, without limitation, the right to sue for and obtain damages, profits, compensation and other relief (and retain any financial awards made) in respect of any infringement of such patents or similar legal protection granted or in respect of any interference with any rights assigned pursuant to the Deed, whether occurring before or after the date of this Deed.
- c. the right to commence legal proceedings relating to enforcement of Patents that grant in relation to any applications directed to the Invention, including the right to sue a third party for any act that constitutes infringement of exclusive rights conferred by such patents, and any other accrued causes of action arising prior to the above mentioned date and all rights to any relief in respect thereof.

4. GENERAL

3.1. Further assurances:

The Assignors undertake to execute all further documents and render all assistance reasonably required to give full effect to this Deed.

3.2. Variations:

No variation of this Deed will be of any force or effect unless it is in writing, and signed by all parties.

3.3. Governing law:

This Deed shall be governed by, and construed according to the laws of the State of Victoria, Australia.

3.4. Counterpart:

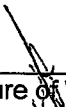

This Deed may be executed in counterparts by each party to the Deed, each of which when executed shall be deemed to be an original and all of which taken together shall constitute one and the same document. Each party shall be bound by this Deed immediately upon executing it.
