### Patent Assignment

**WHEREAS**, Goeken Group Corp., a Delaware corporation ("Assignor"), whose address is 1751 W. Diehl Road, Suite 105, Naperville, Illinois 60563, is the owner of the entire rights, title, and interest in that certain patent issued on April 2, 2013, by the United States Patent and Trademark Office, with the U.S. Patent Number 8,408,748 and the title "LED Lamp Replacement of Low Power Incandescent Lamp," together with U.S. Patent Application Number 13/855,391 and those foreign patents and patent applications that are expressly and conclusively set forth in the attached hereto Exhibit A, along with any patents and patent applications derived from or based on improvements of any of the foregoing, any divisional, continuation, or substitute applications based on any of the foregoing, and any reissues and extensions of any of the foregoing (collectively, the "Patents");

**WHEREAS**, HS Patent Acquisition, LLC, a Nevada limited liability company ("Assignee"), whose address is 100 N. City Parkway, Suite 1700, Las Vegas, Nevada 89106, is desirous of obtaining the entire rights, title and interest in and to the Patents;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers unto Assignee its entire rights, title, and interest in and to the Patents, and all applications and registrations for letters patent that may be filed for said Patents in the United States of America or any foreign country or jurisdiction, including all rights of priority, all rights to publish cautionary notices reserving ownership of said Patents, all rights to register said Patents in appropriate registries, and all letters patent that may be granted for said Patents in the United States or any foreign country or jurisdiction, and all extensions, renewals and reissues thereof, and Assignor hereby authorizes and requests the Commissioner for Patents of the United States of America, and any official of any foreign country or jurisdiction whose duty it is to issue patents on said Patents as aforesaid, to issue all letters patent for said Patents to Assignee and its successors, legal representatives, and assigns, in accordance with the terms of this Assignment.

Assignor hereby covenants and agrees that it will communicate to Assignee and its successors, legal representatives, and assigns, any fact(s) known to Assignor or its employees, consultants, or the named inventors, respecting the invention(s) described and/or claimed in the aforementioned Patents, and testify in any legal proceeding, sign all lawful papers, execute all divisionals, renewals, substitutions, continuations, and reissue applications, make all rightful declarations and/or oaths, and generally do everything possible to aid Assignee and its successors, legal representatives, and assigns to obtain, maintain and enforce proper patent protection for said Patents in all countries throughout the world. Notwithstanding the foregoing, any and all cost, expenses and/or fees of any nature and of every kind associated directly or indirectly with the obligations stated herein shall be the sole responsibility of Assignee.

This Patent Assignment is effective as of November 5, 2013 (the "Effective Date").
