**CONFIDENTIAL INFORMATION AND
INVENTION ASSIGNMENT AGREEMENT**

FOR U.S. EMPLOYEES (CALIFORNIA)

As a condition of my becoming employed (or my employment being continued) by Facebook, Inc., a Delaware corporation or any of its current or future parent companies, subsidiaries, affiliates, successors or assigns (collectively, the "**Company**" or "**Facebook**"), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following:

5. Inventions.

(b) **Assignment of Inventions.** I agree that I will promptly make full written disclosure to Facebook, will hold in trust for the sole right and benefit of Facebook, and hereby assign to Facebook, or its designee, all my right, title and

[REDACTED]

interest throughout the world in and to any and all inventions, original works of authorship, developments, concepts, know-how, designs, improvements or trade secrets, including but not limited to those inventions that may be patentable, copyrightable or protectable under any other intellectual property laws, which I may solely or jointly create or conceive or develop or reduce to practice, or cause to be created or conceived or developed or reduced to practice, during the period of the Relationship (collectively referred to as "**Inventions**"), except as provided in Section 5(c) below. I further acknowledge and agree that all Inventions which are made by me (solely or jointly with others) within the scope of the Relationship are "works made for hire" (to the greatest extent permitted by applicable law) and, as works made for hire, are from conception and/or creation owned exclusively by the Company without any remuneration beyond that provided to me for services I provide to the Company due to the Relationship; and, further, to the extent any Inventions are not "works made for hire", then I hereby grant and assign to the Company all right, title and interest I may have in such Invention without any additional remuneration beyond that provided to me for services I provide to the Company due to the Relationship. I understand this means that such Inventions shall be owned exclusively by the Company. To the maximum extent permitted by applicable law, I hereby waive and agree not to enforce any moral rights I may have on or to any such Inventions.

[REDACTED]

If Facebook or its designee is unable because of my mental or physical incapacity or unavailability or for any other reason to secure my signature to apply for or to pursue any application for any United States or foreign patents, copyright, mask works, domain names or other registrations covering Inventions or original works of authorship assigned to Facebook or its designee as above, then I hereby irrevocably designate and appoint Facebook and its duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent, copyright, trademark, mask work, domain name or other registrations thereon with the same legal force and effect as if originally executed by me.
