and

authorize and request that any and all patents for said improvements be issued to said assignee, or its
successors or assigns,

and

covenant that I have full right so to do,

and

agree to communicate to said assignee, its representatives, successors or assigns all facts known to
assignor(s) respecting said improvements, whenever requested, and to testify in any legal proceeding, sign
all lawful papers, execute all divisional, continuing, reexamination, and reissue applications, and make all
rightful oaths and generally do everything to aid said assignee, its successors, assigns, and representatives
to obtain and enforce proper patent protection for said improvements in all countries.
