I, the undersigned, J.B. Landman sworn translator for the English language and registered as such in the Dutch Register of Sworn Interpreters and Translators under number 1947, whose signature has been filed with the District Court of Rotterdam, hereby certify that the following is a true and complete translation of the attached original Dutch text into English.

A handwritten signature in cursive script, appearing to read "J.B. Landman".

suspension of payment number: C/09/18/30 S
bankruptcy number: C/09/19/2 F
date of judgment 3 January 2019

DISTRICT COURT OF THE HAGUE
Insolvencies Team - single-judge chamber

In the suspension of payments granted provisionally on 28 December 2018 to:

the private company with limited liability
MAPPER LITHOGRAPHY IP B.V.,
registered with the Chamber of Commerce under number 27245377,
whose registered office is situated in Delft,
address of establishment: 2628 XK Delft, Computerlaan 15,

a petition with annexes has been submitted for withdrawal of the suspension of payment granted, and also for a bankruptcy order of the debtor mentioned above and for determination of a cooling-off period as referred to in section 63a of the Bankruptcy Act.

The administrator has based his request on the facts and circumstances that the situation of the estate appears to be such that continuation of the suspension of payment is no longer desirable and/or that the prospect that the debtor will be able to satisfy its creditors in due time does not appear to exist.

The examining magistrate supports the request.

The administrator and the debtor have indicated that they relinquish the hearing prescribed by section 242(3) of the Bankruptcy Act.

In view of the provisions in article 3(1) of Regulation 2015/848 of the European Parliament and the Council of the European Union (recast IVO), the District Court has jurisdiction to open these insolvency proceedings as main proceedings because the centre of the principal interests of Mapper Lithography IP B.V. lies in the Netherlands.

The District Court has found that the situation of the estate is such that continuation of the suspension of payment granted is no longer desirable and that the prospect that the creditors can be satisfied in due time does not exist.

Furthermore it has been found that the debtor has ceased making payments.

On the strength of the above the District Court will withdraw the suspension of payment granted and declare the debtor bankrupt. A cooling-off period will also be determined, as requested.

DECISION:

The District Court:

- withdraws the suspension of payment provisionally granted to MAPPER LITHOGRAPHY IP B.V. on 28 December 2018;
- will determine the salary of the administrator, *Meester* J.J. Wittekamp, and the amount of the costs in a later decision;
- pronounces the bankruptcy of:
 - *the private company with limited liability*
MAPPER LITHOGRAPHY IP B.V.,
registered with the Chamber of Commerce under number 27243377,
whose registered office is situated in Delft,
address of establishment: 2628 XK Delft, Computerlaan 15.
- determines that these insolvency proceedings are main insolvency proceedings as referred to in article 3(1) of Regulation 2015/848 of the European Parliament and the Council of the European Union (recast IVO);
- appoints as examining magistrate in this bankruptcy *Meester* H.W. Vogels, and appoints as receiver *Meester* J.J. Wittekamp, lawyer of Delft;
- orders the receiver to open letters and telegrams directed to the bankrupt party;
- provides that every power of third parties to seek recovery from goods that are part of the estate or to claim goods that are in the power of the bankrupt party or the receiver cannot be exercised for a period of two months without authorization of the examining magistrate.

Given by *Meester* D. Nobel and pronounced at the public session of the court of 3 January 2019 at 12:00 hours in the presence of S.S.R. Pool LL.B., clerk of the court

[signed] illegible

[signed] illegible

The acting legal officer is *Meester* J.J.P. van Wieringen.

An appeal from this judgment may be brought by the person to whom the Bankruptcy Act grants that right, only through a lawyer, within eight days after the day of this judgment by a petition, to be submitted at the court registry of the Court of Appeal of The Hague.

faillissementsnummer: C/09/19/2 F
uitspraakdatum : 3 januari 2019

RECHTBANK DEN HAAG

Team Insolventies - enkelvoudige kamer

In de op 28 december 2018 voorlopig verleende surséance van betaling aan:

de besloten vennootschap met beperkte aansprakelijkheid
MAPPER LITHOGRAPHY IP B.V.,
ingeschreven bij de Kamer van Koophandel onder nummer 27245377,
statutair gevestigd te Delft,
vestigingsadres: 2628 XK Delft, Computerlaan 15,

is een verzoekschrift met bijlagen ingediend strekkende tot intrekking van de verleende surséance van betaling, alsmede tot faillietverklaring van de schuldenaar voornoemd en tot bepaling van een afkoelingsperiode als bedoeld in artikel 63a van de Faillissementswet.

De bewindvoerder heeft zijn verzoek gegrond op de feiten en omstandigheden dat de staat van de boedel zodanig blijkt te zijn, dat handhaving van de surséance niet langer wenselijk is en/of dat het vooruitzicht, dat de schuldenaar na verloop van tijd haar schuldeisers zal kunnen bevredigen, niet blijkt te bestaan.

De rechter-commissaris ondersteunt het verzoek.

De bewindvoerder en de schuldenaar hebben te kennen gegeven dat zij afzien van het door artikel 242 lid 3 van de Faillissementswet voorgeschreven verhoor.

De rechtbank is, gelet op het bepaalde in artikel 3, eerste lid, Verordening 2015/848 van het Europees Parlement en de Raad van de Europese Unie (herschikking IVO), bevoegd deze insolventieprocedure als hoofdprocedure te openen nu het centrum van voornaamste belangen van Mapper Lithography IP B.V. in Nederland ligt.

De rechtbank is gebleken dat de staat van de boedel zodanig is dat handhaving van de verleende surséance van betaling niet langer wenselijk is en dat het vooruitzicht, dat de crediteuren na verloop van tijd kunnen worden bevredigd, niet bestaat.

Voorts is gebleken dat de schuldenaar verkeert in de toestand van te hebben opgehouden te betalen.

Op grond van het vorenstaande zal de rechtbank de verleende surséance van betaling intrekken en het faillissement van de schuldenaar uitspreken. Ook zal -- zoals verzocht -- een afkoelingsperiode worden bepaald.

BESLISSING:

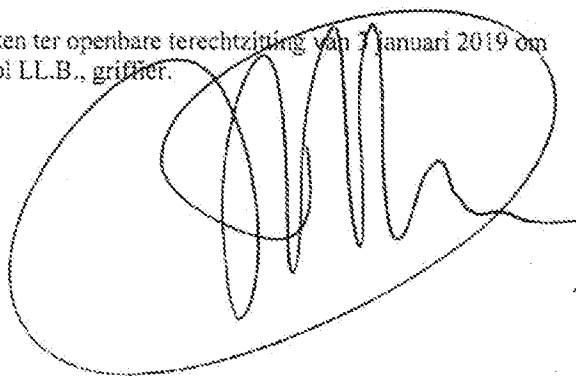

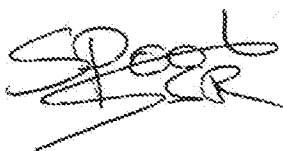

De rechtbank:

- trekt in de op 28 december 2018 aan **MAPPER LITHOGRAPHY IP B.V.** voorlopig verleende surséance van betaling;
