**ASSIGNMENT**

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, David E. Yaeger, hereby sell, assign and transfer my whole and entire right, title and interest, in and throughout the United States, its territories and all countries foreign thereto, in and to any and all invention(s) which are disclosed in the following Application to my co-inventors Collin Danis Search and John Danis Search (both of said co-inventors being hereinafter referred to collectively as the "Assignees"):

U.S. Patent Application Serial No.: 17/519,687

Title: QUICK CONNECT COUPLING DEVICES FOR FLUID CARRIERS

Filed: November 5, 2021

Attorney Docket No: S2262/20007

and any improvements thereon which I make, conceive or acquire during the course of my association with Assignees, and for one year thereafter, and in and to said Application and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention(s) or any part thereof, or any improvements thereon or on said Application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention(s), or any improvements thereon.

I agree that said Assignees may apply for and receive Letters Patent for said invention(s) in Assignees' own names; and when requested, without charge to, but at the expense of said Assignees, I agree to carry out in good faith the intent and purpose of this assignment by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said invention(s), by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignees all facts known to me relating to said invention(s) and the history thereof, and generally by doing everything possible which said Assignees shall consider desirable for aiding in securing and maintaining proper patent protection for said invention(s) and for vesting title to said invention(s) and all applications for patents and all patents on said invention(s), in said Assignees.

I hereby request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignees.

I covenant with said Assignees that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been, or will be, made to others by me, and that full right to convey the same as herein expressed is possessed by me.

I hereby authorize said Assignees to insert on this Assignment the serial number and filing date of the above-identified application when they become available.
