INVENTION ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, **Terry Parker** ("ASSIGNOR"), hereby sell, assign, transfer and convey to NovelAire Technologies, L.L.C. ("ASSIGNEE") 10132 Mammoth Avenue, Baton Rouge, LA 70814-4420, and the successors, assigns and legal representatives of the ASSIGNEE, the entire right, title and interest, for all the United States and its territorial possessions and in all foreign countries, including all rights to claim priority, in the following patents and patent applications, including the inventions which are the subject thereof:

United States Provisional Application No. 62/877,529 filed on July 23, 2019, entitled "Dual-Wheel HVAC System and Method Having Improved Dew Point Control."

In the event this assignment is executed prior to the filing of the application for patent entitled "Dual-Wheel HVAC System and Method Having Improved Dew Point Control" ASSIGNOR and ASSIGNEE hereby grant authority to Jones Walker, LLP to complete the "Application No." and "filed on" provisions of this assignment, as contained in the above paragraph.

This assignment includes all other patents to be obtained for said inventions and improvements thereof, by any provisional, non-provisional, continuation, continuations-in-part, division, renewal, substitute, re-issue or re-examination application thereof.

This assignment further includes all claims for damages by reason of past infringement of patents assigned herein and the right to sue and collect damages for such infringement.

ASSIGNOR hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment.

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions, said applications, and/or said patents and legal equivalents thereof as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said inventions, said applications, and/or said patents and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

IN WITNESS WHEREOF, we have executed this Assignment on the dates given below.
