## ASSIGNMENT OF PATENT RIGHTS

Date:

Whereas, I, Stephen Paul Smith, residing at 12 Fernwood St. Gretna, LA 70056 am the inventor of an invention in "Infrared Sauna for Isometric Exercise," for which invention I have executed a United States design patent application bearing Application Number 29/605,666, and for which a United States Design Patent has issued bearing Patent Number D859,674, and

Whereas, HOT Brands, LLC (hereinafter referred to as "ASSIGNEE") having a place of business at 5145 Taravella Road, Marrero, LA 70072, is desirous of acquiring the entire right, title and interest in and to the invention described herein and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;

Therefore, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, I hereby do sell, assign and transfer unto said ASSIGNEE, the full and exclusive right to the invention herein described in the United States and its territorial possessions and in all foreign counties (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application(s)) and the entire right, title and interest in and to any and all Letters Patent which may be granted therefore in the United States and its territorial possessions and in any and all foreign counties and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and in any and all foreign counties to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use of said ASSIGNEE, its successors and assigns, to the full end of the terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said ASSIGNEE or its representative any facts known to me respecting the invention described herein, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid said ASSIGNEE, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign counties.

The undersigned hereby grants Pugh Accardo, LLC, 1100 Poydras Street, Suite 3300 New Orleans, Louisiana 70163 (USPTO Customer No. 155671) the power to insert on this assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rule of the United States Patent and Trademark Office for recordation of this document.
