ASSIGNMENT

WHEREAS, Benjamin Dwayne Boelter, whose address is 1170 Knapp Road, Cedar Rapids, Iowa 52403; Don S. Samuelson, whose address is 304 W. Myrtle Street, Laurent, Iowa 50554; Tyler James Schlusemann, whose address is 323 Sunset Place, North Liberty, Iowa 52317; and Nathan Andrew Marks, whose address is 275 Lily Pond Road, North Liberty, Iowa 52317; have made certain new and useful inventions in

"HIGH OUTPUT PRECISION SPINNER"

as disclosed or intended to be disclosed and set forth in a provisional application for a United States Patent, filed on February 17, 2021, as Application No. 63/150,247;

WHEREAS, New Leader Manufacturing, a corporation organized and existing under the laws of the State of Iowa, whose address is 1330 76th Avenue SW, Cedar Rapids, Iowa 52404 (hereinafter called the "Assignee") is desirous of acquiring the entire interest in all inventions disclosed or intended to be disclosed in said Application.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations paid to us by said Assignee, the receipt and sufficiency whereof is hereby acknowledged, we do hereby sell, assign, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to all said inventions disclosed or intended to be disclosed in said Applications; and in and to said Applications, including all priority rights for other countries or international or regional intergovernmental organizations arising from said Applications, and in and to all substitutions, divisions, and continuations thereof; and in and to all Letters Patent, United

States and foreign, that may be granted for said inventions; and in and to all extensions, reexaminations, and reissues thereof.

And we do hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, we do hereby, for us and for our legal representatives, further covenant and agree with said Assignee, its successors and assigns, that we have full and unencumbered title to the inventions and said Applications above described and hereby assigned; that we have granted to others no license to make, use, or sell said inventions; and that we will not execute any instrument in conflict with this assignment.

And for the consideration aforesaid, we do hereby, for us and for our legal representatives, further covenant and agree with said Assignee, its successors and assigns, that upon request, we will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignee, its successors or assigns, any facts known to us relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for said Assignee, may be necessary or convenient to secure the grant of Letters Patent to said Assignee, its successors and assigns,

or its nominees, in the United States and in all other countries where said Assignee may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for said Assignee, and to vest and confirm and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable it to record said title, without further consideration than now paid but at the expense of said Assignee, its successors or assigns.
