ASSIGNMENT

We hereby assign and set over to the ASSIGNEE our ENTIRE RIGHT, TITLE, and INTEREST in and to the United States Patent Applications identified herein above, and also to any United States Patents that may be granted to the inventions disclosed in any of the said United States Non-Provisional Patent Applications.

We authorize the ASSIGNEE to claim all rights to the PRIORITY attributed to the United States Patent Applications identified herein above, without any further authorization from our end, and to own in his NAME the aforementioned United States Patent Applications, without any further authorization from our end, and any United States Patents that may be granted to the inventions disclosed in the said United States Non-Provisional Patent Applications.

We hereby agree to execute any and all the DOCUMENTS requested by the ASSIGNEE, his successors, assigns, legal representatives, or nominees, at their reasonable expense, in connection with the enforcement of the rights associated with the United States Non-Provisional Patent Applications identified herein above, and any United States Patents that may be granted to the inventions disclosed in the said United States Non-Provisional Patent Applications.

We hereby agree to execute any and all the DOCUMENTS requested by the ASSIGNEE, his successors, assigns, legal representatives, or nominees, at their reasonable expense, in connection with the MAINTENANCE of all the rights attributed to the aforementioned United States Non-Provisional Applications, and any United States Patents that may be granted to the inventions disclosed in the said United States Non-Provisional Patent Applications.

We hereby agree to do everything possible, within the purview of the laws of the territory of US and any applicable International Laws, to enable the ASSIGNEE, his successors, assigns, legal representatives, and nominees, at their request and reasonable expense, in maintaining PATENT CERTIFICATES for the aforementioned United States Non-Provisional Patent Applications, whenever any of the said United States Non-Provisional Patent Applications mature into a GRANTED PATENT.

In particular, we agree to provide to the ASSIGNEE, his successors, assigns, legal representatives, or nominees, at their request and at their reasonable expense, all the INFORMATION known to us or ascertainable by us, and all the documents and other materials and objects that are in our possession or accessible to us, in respect of the inventions disclosed in the aforementioned United States Non-Provisio

PATENT

REEL: 058995 FRAME: 0672

United States Patents that may be granted to the inventions disclosed in the said United States Non-Provisional Patent Applications.

And further, at any trial, hearing, deposition or other legal proceeding where we are called as a witness by the ASSIGNEE, its successors, assigns, legal representatives, or nominee, we agree to TESTIFY to all the facts for which we are competent to testify, in respect of the inventions disclosed in the aforementioned United States Non-Provisional Patent Applications, and any United States Patents that may be granted to the inventions disclosed in the said United States Non-Provisional Patent Applications.

We hereby covenant that we have all the rights to convey the entire interest that is being assigned by this Assignment, and that no other assignment, sale, license, agreement, or encumbrance has been or will be made or entered into that would conflict with this Assignment.
