**ASSIGNMENT *NUNC PRO TUNC* FROM BROOKLANDS, INC. TO ARC
DEVICES LIMITED AND ASSIGNEE NAME CLARIFICATION**

WHEREAS, Brooklands, Inc. is the assignee of record of (i) U.S. Design Patent No. D726,033, having an effective filing date of October 19, 2012, entitled "Non-Contact Thermometer" ("the 033 Patent") recorded December 6, 2021 at Reel/Frame 058308/0674, and (ii) US Patent No. 8,948,850, having an effective filing date of September 21, 2012, entitled "Non-Contact Thermometer Sensing A Carotid Artery" ("the 850 Patent") recorded September 14, 2014 at Reel/Frame 033676/0204 (collectively "the Patents"). Brooklands, Inc. is hereafter referred to as "Assignor".

WHEREAS, Assignor desires to assign, *nunc pro tunc* as of the effective dates noted below, the entire right, title and interest in and to the Patents to ARC Devices Limited, an Irish corporation having an address at 12 Merrion Square, Dublin 2, Ireland. ARC Devices Limited is hereafter referred to as "Assignee".

WHEREAS, Assignee desires to obtain the entire right, title and interest in and to the Patents.

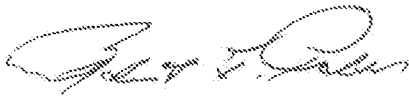

WHEREAS, the face of the 033 Patent identifies "ARC Devices Ltd." as the assignee thereof, but there appears to be no assignment of record of the 033 Patent from Brooklands to "ARC Devices Ltd." and further, as set forth, for example, in the "Clarification" section of the document recorded at Reel/Frame 057704/0650, there may be confusion as between the names "ARC Devices Limited" and "ARC Devices Ltd." and Assignee desires to clarify any such confusion and confirm that they are the same entity.

WHEREAS, the face of the 850 Patent identifies ARC Devices Limited as the assignee thereof, but there appears to be no assignment of record of the 850 Patent from Brooklands, Inc. to ARC Devices Limited.

NOW THEREFORE, for good and valuable consideration, the receipt of which is acknowledged by Assignor, Assignor hereby assigns, transfers and conveys to Assignee the entire right, title and interest in and to the Patents which it presently has and/or may at any time have had, including all choses in action, including the right to collect damages for any past, present and future infringements. This Assignment is, with respect to the 033 Patent, *nunc pro tunc* effective as of October 19, 2012, and with respect to the 850 Patent, *nunc pro tunc* effective as of September 21, 2012.

Further, Assignee hereby authorizes the correction of any documents recorded in the United States Patent and Trademark Office that refer to ARC DEVICES LTD. as the Assignee of the Patents to state that ARC DEVICES LIMITED is the Assignee thereof.

The below officers are authorized to act on behalf of Assignor and Assignee in respect to this Assignment and Clarification.

Robert T. Faber
President, Brooklands, Inc.
