ASSIGNMENT

WHEREAS, We, the undersigned, Franco L. D'Ascanio, a U.S. citizen residing at 431 2nd Street, Key Colony Beach, FL 33051; Sean P. Snowden, a U.S. citizen residing at 170 W. 63rd Street Ocean, Marathon, FL 33050 and Harold M. Zimmermann, a U.S. citizen residing at 173 S. River Road, Stuart, FL 34996, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled Camlock Electrical Connector, executed by us on the date of execution of this document;

AND WHEREAS, Coastal Source, LLC (assignee herein), a company of the State of Florida and having an address of 11450 Overseas Highway, Marathon, FL 33050, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, we do hereby sell, assign, transfer and set over unto Coastal Source, LLC, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, reexaminations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, we hereby agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuation-in-part, reexamined, reissued, or extended Letters Patent

of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Coastal Source, LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
