## ASSIGNMENT OF PATENT RIGHTS

For valuable consideration, we, Ramiro Almeida of Key Biscane, FL, and Pierre Beaudreau of St-Augustin-de-Desmaures, Quebec, Canada hereby assign to: Optimus Ride, Inc. a corporation having a place of business at: 88 Black Falcon Avenue, Suite 188, Boston, MA 02210, the entire right, title and interest throughout the world in the inventions and improvements which are the subject of applications, as outlined in the attached Schedule A. We authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting the filing dates and serial numbers of said applications when known; this assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions including any continuation applications, continuation-in part applications or divisional applications, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
