ASSIGNMENT (16/514,964)

For good and valuable consideration, receipt of which is hereby acknowledged, we, Christopher Laudadio and Aryan Jafari, do hereby sell, assign and transfer to Versa Products Inc. (having his principal place of business at 14105 Avalon Blvd, Los Angeles, CA 90061 in the United States) interest and right, including the right of priority controlled by us, in, to and under Letters Patent of the United States, the patent application entitled "MOTORIZED, HEIGHT-ADJUSTABLE DESKTOP SYSTEM", which bears application serial number 17/570,812 filed on January 7, 2022, and the inventions and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U. S. Letters Patent, and all divisions, reissues, substitutions, continuations, and extensions thereof which may be granted relating thereto in any country; and

For the above consideration I agree promptly upon request of the Assignee, its successors or assigns, to execute and deliver without further compensation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to the Assignee, its successors and assigns, the inventions and any of them, described in said applications and all patent rights therein, in the Unites States and in any country foreign thereto, and to cooperate and assist in the prosecution of appeal and interface proceedings involving said inventions and in the adjudication or re-examination of said Letters Patent provided the expenses which may be incurred by me in lending such cooperation and assistance be paid by the Assignee.

For the additional consideration of one dollar (\$1), receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto Versa Products Inc. any residual rights, including all moral rights, related to the patent application entitled "MOTORIZED, HEIGHT-ADJUSTABLE DESKTOP SYSTEM" which bears application serial number 17/570,812 filed on January 7, 2022, the inventions and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U. S. Letters Patent, and all divisions, reissues, substitutions, continuations, and extensions thereof which may be granted relating thereto in any country.
