Assignment of Invention

For good and valuable consideration, the receipt of which is hereby acknowledged, Steve Anderson of 1005 Auldearn Court, Folsom, California 95360 (hereafter "Assignor") does hereby assign, sell and transfer to Orthocision, Inc., a California corporation of 1005 Auldearn Ct., Folsom, California 95630 (hereafter "Assignee"), and the successors, assigns and legal representatives of the Assignee, all worldwide right, title and interest, including the rights to claim priority, in and to any and all improvements which are disclosed in the invention entitled "Method and Implant System for Sacroiliac Joint Fixation and Fusion" and which is found in the U.S. patent application filed concurrently herewith, and any legal equivalent thereof in said countries, including the right to claim priority, and in and to, all Letters Patent to be obtained for said invention by the above application or any continuation, division, renewal, or substitute thereof, and as to letters patent any reissue or re-examination thereof.

Assignor covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation, or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments, affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

In Witness Whereof, I have hereunto set hand and seal this 1st day of March, 2013.
