## PATENT ASSIGNMENT

WHEREAS, SOFIA DRM, LLC, a New Mexico Limited Liability Company, having its principal offices at 6605 Uptown Blvd NE, Suite 240, Albuquerque, New Mexico USA 87110 (hereinafter "Assignor") is the owner of United States patent no. 9,282,364 entitled "systems and methods for enabling simultaneous second screen video segment replay during ongoing primary screen programming", United States patent no. 9,811,737 entitled "methods and systems enabling access by portable wireless handheld devices to data associated with programming rendering on flat panel displays", and all past and future patent applications that are entitled to claim priority, in whole or in part, based on any of said patents; all past and future patent applications from which said patents or the applications claim priority, directly or indirectly' and any patent issuing from such application and invention disclosed therein, and foreign application and counterpart with respect to any of the foregoing (herein, collectively, "the Patents"); and

Whereas, ORTIZ & ASSOCIATES CONSULTING, LLC, a New Mexico Limited Liability Company, having its principal place of business at 7005 Vista del Arroyo Avenue NE, Albuquerque, New Mexico USA 87109 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in, to and under the Patents.

Now, Therefore,

For one dollar (\$1) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer, and set over to Assignee, its successors and assigns, its entire right, title and interest in and to the Patents, and any reissue or reissues of the patents granted and which may be granted, any certificates of reexamination already granted and which may be granted, continuation applications that may issue therefrom, both foreign and domestic, including all of its rights under any and all international conventions, treaties and/or agreements concerning patents to which the United States is a party.

Assignor agrees with the said Assignee, its successors and assigns, that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
