PATENT ASSIGNMENT

WHEREAS, Avon Polymer Products Limited, a limited liability company incorporated in the United Kingdom with registered number 00149360 whose registered office is at Hq. Hampton Park West, Semington Road, Melksham, Wiltshire, SN12 6NB (hereinafter "Assignor"), is the record owner of the entire right, title, and interest in and to the patents listed on the attached Appendix A, and to any reissues, extensions, substitutions, confirmations, divisions, and continuations of any of the foregoing (hereinafter "Patent Rights"), to have and to hold for its sole and exclusive use and benefit.

WHEREAS, Assignor has agreed to assign and transfer its entire right, title, and interest in and to the Patent Rights to milkrite InterPuls Limited, a private limited liability company incorporated in the United Kingdom with registered number 12526716 whose registered office is at One St Peter's Square, Manchester, M2 3DE (hereinafter "Assignee").

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for and in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, including voiding of any and all debt owed from Assignor to Assignee as of the date of this Assignment, the receipt of which by Assignors from Assignee is hereby acknowledged, Assignors have agreed to sell, assign, and transfer and by these presents do hereby sell, assign, and transfer unto Assignee the entire right, title, and interest in, to, and under the Patent Rights; to have and to hold for the sole and exclusive use and benefit of Assignee forever, together with the right to bring a civil action under 35U.S.C. §181 for any and all past infringement of the Patent Rights and to collect damages for any and all past infringement of the Patent Rights.

Assignors hereby covenant and agree, for themselves and for their respective legal representatives, to assist and cooperate with Assignee in the preparation and prosecution of any applications included within the Patent Rights and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any applications or Letters Patent included within the Patent Rights and further to execute and deliver to Assignee any and all additional papers that may be requested by Assignee for the purpose of implementing the terms of this ASSIGNMENT.

Assignors hereby authorize and empower Assignee to invoke and claim for any applications or Letters Patent included within the Patent Rights the benefit of any rights to which Assignors might be entitled under international law or under the laws of any particular country (such as, without limitation, the right of priority provided by the International Convention for the Protection of Industrial Property, as amended) and to invoke and claim such rights without further written or oral authorization from Assignors.

Assignors hereby consent that a copy of this ASSIGNMENT shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and more particularly in proof of the right of Assignee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended.

Assignors covenant and agree that this ASSIGNMENT and all of the terms hereof shall inure to the benefit of the successors, assigns, legal representatives, or nominees of Assignee, without further written or oral authorization from Assignors.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their respective officers thereunto duly authorized on this 15th day of December, 2021
