A S S I G N M E N T

WHEREAS, Bit Goopy Inc., a corporation of the state of Delaware, having a principal place of business at 2588 S. 600 E., Salt Lake City, UT 84106 (hereinafter referred to as ASSIGNOR) owns the pending patent applications and invention disclosures identified on the attached Schedule 1 which is incorporated by reference and made an integral part hereof; and;

WHEREAS, the Assignee, Christopher Alexander Burns, (hereinafter referred to as ASSIGNEE), is desirous of acquiring ASSIGNOR'S entire right, title and interest in, to and under said granted patents, pending patent applications, and invention disclosures of Schedule 1.

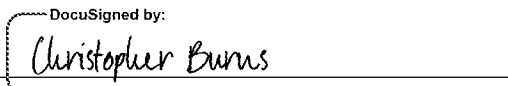

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, as of December 2, 2021 ("Effective Date"), be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR has sold, conveyed, assigned, transferred and set over, and does hereby sell, convey, assign, transfer and set over to said ASSIGNEE its entire right, title and interest in and to the granted patents, the pending patent applications, and the invention disclosures set forth in the Schedule 1, both foreign and domestic, and the invention(s) claimed in such patents and applications for patent and any divisional, continuation, continuation-in-part, revival, re-examination, reissue, renewal, or extension thereof, or any patent or application for patent claiming priority from such patents and applications for patent, that have issued or shall issue, including, without limitation, subject to the rights of third parties, all of its rights under any and all international conventions, treaties and/or agreements concerning patents to which the United States is a party ("Assigned Patents"), and including, without limitation, the right to own and to prosecute in ASSIGNEE'S own name any reexaminations, reissues, interferences, oppositions, and all causes of action now in existence or arising in the future resulting from acts of infringement relating to any of the Assigned Patents, including, without limitation, the right to sue and recover for past or present infringement, and the sole right to settle such causes of action.

ASSIGNOR hereby authorizes and requests the Commissioner of Patents to recognize ASSIGNEE as having the full power to file patent applications based upon the invention disclosures, prosecute the pending applications set forth in the Attachments, and issue letters patent to said ASSIGNEE in accordance herewith, obtain certified copies thereof, make alterations and amendments therein, receive any patent issuing therefrom and transact all business in the Patent and Trademark Office connected therewith, the same to be held and enjoyed by said ASSIGNEE for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or any other legal representatives, to the end of the term or terms for said Assigned Patents, as fully and entirely as the same would have been held and enjoyed by said ASSIGNOR if this assignment had not been made. ASSIGNOR further authorizes ASSIGNEE, its successors and assigns, or anyone

it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of any of the Assigned Patents and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

Signed this 3rd day of December, 2021

Christopher Alexander Burns
