Reference is made to that certain Pledge and Security Agreement, dated as of February 24, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), entered into by and among Grantor, the Borrower, the other Guarantors party thereto, Collateral Agent and the other parties party thereto which secures certain now existing and future arising obligations owing to the Secured Parties (as defined in the Security Agreement) under the Transaction Documents as provided in the Security Agreement;

B. Pursuant to the Security Agreement, each Grantor is required to execute and deliver to the Collateral Agent this Agreement;

C. Pursuant to the terms of the Security Agreement, each Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in substantially all the assets of such Grantor, including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired patents and patent applications (other than Excluded Assets, as defined in the Security Agreement), and all products and proceeds thereof, to secure the payment of the Obligations (as defined in the Security Agreement).

**NOW, THEREFORE**, in consideration of the mutual agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, to secure the Obligations, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:
