ASSIGNMENT

THIS ASSIGNMENT, made by us, **Robert D. Carter**, a citizen of the United States of America, residing in Apple Valley, MN; **Adam L. Gullickson** a citizen of the United States of America, residing in Stillwater, MN; **Seth Iverson** a citizen of the United States of America, residing in Carver, MN; and **Jacob Blank** a citizen of the United States of America, residing in Minneapolis, MN;

WITNESSETH: That,

WHEREAS, we are some of the joint inventors of certain new and useful improvements in **SURGICAL TOOLS FOR SPINAL FACET THERAPY TO ALLEVIATE PAIN AND RELATED METHODS** for which U.S. Provisional Application No. 62/288,638 was filed on January 29, 2016 in the United States Patent and Trademark Office; and

WHEREAS, **Devicix, a division of Nortech Systems, Inc.**, having a principal place of business at 7680 Executive Dr., Eden Prairie, MN 55344, hereinafter referred to as Assignee, is our employer and is desirous of acquiring our entire right, title and interest in and to said invention(s) as described in said provisional application, to the extent that we have not previously already assigned such rights, title and interest to said inventions in related applications filed with the USPTO to Medovex Corp. via prior assignments through Devicix, now a division of Nortech Systems, Inc.), and in and to any and all applications claiming priority thereto and any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and/or by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, our entire right, title, and interest in and to the said invention(s) and provisional application, and in and to any and all subsequent patent applications which claim the benefit of priority from said provisional application including regular utility, continuations, and continuations-in-part, or divisions thereof, and PCT applications and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted along

with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We further covenant and agree to promptly communicate to said Assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 23RD day of MARCH, 2016.
