ASSIGNMENT FOR APPLICATIONS

WHEREAS, we, the undersigned, **JOHNSON MATTHEY PLC**, a company incorporated and registered in England with company number 33774, the registered office of which is at **5th Floor, 25 Farringdon Street, London, EC4A 4AB, England** (hereinafter termed "Assignor"), owner of an interest in the right, title and interest in and to certain new and useful improvements disclosed in "**SALTS AND POLYMORPHS OF CETHROMYCIN FOR THE TREATMENT OF DISEASE**", for which (a) a US Provisional Application No. **62/942,508** was filed on **2 December 2019**, (b) a US Non-Provisional Application No. **17/109,970** was filed on **2 December 2020**, and which claims priority to US Provisional Application No. 62/942,508 filed on 2 December 2019, and (c) an International (PCT) Patent Application No. **PCT/US2020/062882** was filed on **2 December 2020**, and which claims priority to US Provisional Application No. 62/942,508 filed on 2 December 2019, by virtue of a prior assignment from inventors **Amanda HILL**, and **Kate WITTERING** (hereinafter termed "Inventors"), and in and to all embodiments of the invention, heretofore conceived, made or discovered by said Inventors (all collectively hereinafter termed "said invention"), and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter termed "patents") thereon granted in the United States and foreign countries;

WHEREAS, **MACFARLAN SMITH LIMITED**, a wholly owned indirect subsidiary of **JOHNSON MATTHEY PLC**, incorporated and registered in Scotland with company number SC035640 and having its registered office at **Wheatfield Road, Edinburgh, EH11 2QA, Scotland** (hereinafter termed "Assignee"), is desirous of acquiring Assignor's entire right, title and interest in and to said applications and the invention disclosed therein, and in and to all embodiments of the invention, heretofore conceived, made or discovered by said Inventors (all collectively hereinafter termed "said invention"), and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter termed "patents") thereon granted in the United States and foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Assignor to have been received in full from said Assignee:

1. Said Assignor does hereby sell, assign, transfer and convey, and/or confirm prior sale, assignments, transfer, and conveyance, unto said Assignee, Assignor's entire right, title and interest (a) in and to said applications and said invention; (b) in and to all rights to apply for foreign patents on said invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all applications filed and any and all patents granted on said invention in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (d) in and to each and every reissue or extensions of any of said patents.

2. Said Assignor hereby covenants and agrees to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by said Assignor shall include reasonable production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other reasonable assistance to Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefore and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that any expense incurred by said Assignor in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Assignor, their respective heirs, legal representatives and assigns.

4. This assignment and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

Each party irrevocably agrees that the Courts of England and Wales shall have non-exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this assignment or its subject matter or formation.
