ASSIGNMENT OF PATENT RIGHTS

I/we hereby declare that I/we have assigned to

Epiroc Canada Inc., 1025 Tristar Drive, Mississauga, Ontario L5T 1W5, Canada
Name and address of assignee

My/our entire right to obtain patents on an invention
made by me Patrick Salvador relating to

Ref. no. S18001 Fast Drop Inner Tube Head Assembly and System, PCT/CA2018/051564

The assignment of the above mentioned right to an
invention includes a transfer of all patent rights and
similar rights in all countries, as well as the right to
use the related convention priority.

The assignment includes all rights to damages as a
result of infringements of the rights that may have
occurred before the effective date of assignment.

Compensation for the assignment is agreed
separately.

On request, I/we undertake free of charge to sign all
documents which may be required to assert the rights
hereby transferred, and also to assist in technical
questions. If I should be prevented from signing said
documents in person, this document of assignment
shall be valid as a power of attorney for the assignee
to sign these documents on my behalf or in the event
of my death on behalf of the estate of the deceased.
