CONFIRMATORY PATENT ASSIGNMENT AGREEMENT

This Confirmatory Patent Assignment Agreement (“Assignment”) is made May 29th, 2018 by and between **Robert Jason Herr**, of **Voorheesville, NY**; and **Robert Borbo Kargbo**, of **Guilderland, NY**; and **Albany Molecular Research, Inc., 26 Corporate Circle, Albany, New York 12203**, a **Delaware Corporation**, (“AMRI”) (each individually, a “Party” and collectively, the “Parties”).

WHEREAS Robert Jason Herr and Robert Borbo Kargbo are inventors of subject matter disclosed and claimed in U.S. Provisional Application No. 62/460,386 filed February 17, 2017 and PCT Application No. PCT/US2018/018303, filed February 15, 2018 and as set forth in Exhibit A (collectively the “Assigned Patent Applications”);

WHEREAS, each of Robert Jason Herr and Robert Borbo Kargbo had previously assigned the entirety of each of their respective right, title and interest in the inventions and subject matter set forth in the Assigned Patent Applications to AMRI;

WHEREAS, AMRI had previously accepted such rights in the Assigned Patent Applications; and

WHEREAS, the Parties wish to confirm and restate the flow of right, title, and interest in the inventions and subject matter set forth in the Assigned Patent Applications between the Parties;

NOW, THEREFORE, in consideration of mutual covenants and agreements set forth below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

1. NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) to each of us in hand paid by AMRI, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Robert Jason Herr and Robert Borbo Kargbo, intending to be legally bound, confirm that we, or hereby, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over to AMRI, the entire right, title and interest in and to said inventions, subject matter, or improvements and said Assigned Patent Applications and any and all continuations, divisions, reissues, re-examinations, renewals, extensions and substitutes for said Assigned Patent Applications, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries worldwide, and assign to and authorize AMRI, to file in our names applications for Letters Patent in all countries worldwide, the same to be held and enjoyed by AMRI, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this Assignment, sale and transfer not been made.

2. We hereby covenant that we have, and had, full right to convey our entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will each time request is made and without

undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said Assigned Patent Applications and said Letters Patent to AMRI, its successors, assigns, nominees, or legal representatives, and each of us agrees to communicate to AMRI or to its nominee all known facts respecting said inventions or improvements, said Assigned Patent Applications and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid AMRI, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries.

3. We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to AMRI, as assignee of our entire right, title and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.

4. This Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this Assignment. Additionally, we hereby authorize our attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this Assignment.

5. If any invention disclosed in the Assigned Patent Applications require a biological deposit, we also grant to AMRI such control over any deposit made by us as may be necessary to the validity of the rights assigned herein.

6. The undersigned hereby grant(s) the firm of Pepper Hamilton LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or other foreign patent office for recordation of this document.
