ASSIGNMENT

WHEREAS WE, ANAHITA HASSANZADEH of San Francisco, California; YE CHEN of Pleasanton, California; ALEX WIMBUSH of Corte Madera, California; MARLON MISRA of San Francisco, California; and EMILY ROWAN of San Francisco, California, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled IDENTIFYING MANAGEMENT ZONES IN AGRICULTURAL FIELDS AND GENERATING PLANTING PLANS FOR THE ZONES, executed by us on the date of execution of this document, as shown below, and filed concurrently herewith;

AND WHEREAS, The Climate Corporation, a corporation of the State of California and having an address of 201 3<sup>rd</sup> Street, #1100, San Francisco, CA 94103 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto The Climate Corporation, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including, but not limited to, any provisional, non-provisional, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention and the right to claim priority, or the benefit of, to the above-mentioned application;

UPON SAID CONSIDERATIONS, we hereby agree with the said assignee that WE will not execute any writing or do any act whatsoever conflicting with these presents, and that WE will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND WE request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said The Climate Corporation, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
