This agreement is dated 28 October 2021

PARTIES

(1) STEPHEN BARNES, 2, St Edmunds Grove, Milngavie, Glasgow G62 8LS (**Assignor**)

(2) FLOWLINING LIMITED, incorporated and registered in Scotland with company number SC647886 whose registered office is c/o Turcan Connell, Princes Exchange, 1 Earl Grey Street, Edinburgh, Midlothian, Scotland, EH3 9EE (**Assignee**)

BACKGROUND

The Assignor is the applicant (and inventor) for the Patent Applications (as defined below).

The Assignor has agreed to assign the Patent Applications, short particulars of which are set out in **SCHEDULE 1**, to the Assignee on the terms set out in this assignment.

ASSIGNMENT

In consideration of the sum of £1 (receipt of which the Assignor expressly acknowledges), the Assignor hereby assigns to the Assignee absolutely all his right, title and interest in and to the Patent Applications, and in and to all and any inventions disclosed in the Patent Applications, including:

In respect of any and each application in the Patent Applications:

(a) the right to claim priority from and to prosecute and obtain grant of patent; and

(b) the right to file divisional applications based thereon and to prosecute and obtain grant of patent on each and any such divisional application;

In respect of each and any invention disclosed in the Patent Applications, the right to file an application, claim priority from such application, and prosecute and obtain grant of patent or similar protection in or in respect of any country or territory in the world;

The right to extend to or register in, or in respect of, any country or territory in the world each and any of the

Patent Applications, and each and any of the applications comprised in the Patent Applications or filed as aforesaid, and to extend to or register in or in respect of any country or territory in the world any patent or like protection granted on any of such applications;

The absolute entitlement to any patents granted pursuant to any of the applications comprised in the Patent Applications or filed as aforesaid; and

The right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of any of the Patents or any patents granted on any of the applications comprised in the Patent Applications or filed as aforesaid, whether occurring before, on or after the date of this assignment.

FURTHER ASSURANCE

At the Assignee's expense, each party shall, and shall use all reasonable endeavours to procure that any necessary third party shall, promptly execute and deliver such documents and perform such acts as may reasonably be required for the purpose of giving full effect to this agreement.

ENTIRE AGREEMENT

This agreement constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

GOVERNING LAW

This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of Scotland.

JURISDICTION

Each party irrevocably agrees that the courts of Scotland shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this agreement or its subject matter or formation.

This agreement has been entered into on the date stated at the beginning of it.
