PATENT ASSIGNMENT AGREEMENT

This PATENT ASSIGNMENT AGREEMENT (this “**Agreement**”), is made and delivered as of May 31, 2021, by MobiTV, Inc., a Delaware corporation (“**MobiTV**”) and MobiTV Services, Inc., a Delaware corporation and wholly owned subsidiary of MobiTV (“**Services**” and together with MobiTV, “**Assignors**”) and TiVo Corporation, a Delaware corporation (“**Assignee**”). Capitalized terms used but not defined herein shall have the respective meanings given to such terms in the Purchase Agreement (as defined below).

WHEREAS, MobiTV and Services are debtors and debtors in possession in cases filed under Chapter 11 of the United States Bankruptcy Code, jointly administered in *In re MobiTV, Inc.*, case no. 21-10457-LSS (the “**Cases**”), pending in the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”);

WHEREAS, Assignors and Assignee are parties to that certain Asset Purchase Agreement made and entered into as of May 12, 2021 (the “**Purchase Agreement**”), and the transactions contemplated by the Purchase Agreement have been approved by the Bankruptcy Court pursuant to that certain *Order (A) Approving the Sale Of Substantially All of the Debtors’ Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, and (B) Approving the Assumption And Assignment Of Executory Contracts and Unexpired Leases* (the “**Sales Order**”) which has been entered by the Bankruptcy Court [Bankruptcy Court Dkt. No. 292], and become effective;

WHEREAS, pursuant to the Purchase Agreement, Assignors have agreed to sell to the Purchasing Entity, and Assignee has agreed that the Purchasing Entity will purchase from Assignors, the Purchased Assets;

WHEREAS, for the purposes of this Agreement, the Purchasing Entity has been designated by Assignee as Assignee; and

WHEREAS, the execution and delivery of this Agreement is required by Section 6.1(b)(iii) and Section 6.2(b)(iv) of the Purchase Agreement pursuant to which Assignors will irrevocably assign and transfer to the Assignee the Patents included in the Purchased Assets to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Assignee and Assignors do hereby agree as follows:

1. Patent Assignment. Subject to the terms and conditions of the Purchase Agreement and the Sales Order, Assignors do hereby sell, transfer, assign, convey and deliver to Assignee, and Assignee hereby does purchase, acquire and accept from Assignors, all right, title and interest in and to the following, free and clear of Liens, Claims, interests or Encumbrances except to the extent provided in the Sales Order, whether or not the due date of any maintenance fees, annuities and the like thereof have lapsed, all Assignors’ right, title, and interest in and to (i) all United States and foreign Patents included in the Purchased Assets, including without

limitation, those Patents listed in Schedule A attached hereto and the inventions disclosed therein, (ii) all reissues, divisionals, re-examinations, renewals, extensions, provisionals, continuations, and continuations in part thereof, (iii) all foreign counterparts to any Patents described in clauses (i) and (ii), regardless of whether such foreign counterpart Patents are listed on Schedule A, (iv) all Patent Documents, (v) all Patents which claim direct or indirect priority to, or to which direct or indirect priority is claimed by, any of the Patents described in clauses (i), (ii), or (iii) (collectively, the “**Assigned Patents**”), and (vi) all rights, claims, and privileges relating to the Assigned Patents throughout the world, including without limitation all rights to the underlying inventions, to claim priority on the basis thereof, to prosecute and maintain the Assigned Patents, to have any and all registrations issued in the name of Assignee, to sue and recover damages for past, present, and future infringement, to obtain injunctive or other equitable relief, and to collect royalties and other payments under or on account of any of the Assigned Patents in each case, regardless of whether in existence prior to, as of or after the Effective Date.

2. Commissioner of Patents. Assignors do hereby request and authorize the Commissioner of Patents and Trademarks of the United States of America and all other corresponding patent offices or authorities of other jurisdictions to issue letters patent, certificates of invention, utility models, or other governmental grants or issuances that may be granted upon any of the Assigned Patents and the inventions included in the Assigned Patents to Assignee or Assignee’s nominee, successor or assign.

3. Further Assurances. Assignors shall cooperate with Assignee, at Assignee’s request, to enable Assignee to enjoy the fullest extent of the right, title and interest herein conveyed in the United States and other countries. Such cooperation by Assignors shall include prompt production of pertinent facts and documents, giving of testimony, executing of assignment, petitions, oaths, specifications, declarations or other papers, and other assistance: (a) for obtaining, perfecting and maintaining in Assignee or its assignees or successors the right, title and interest herein conveyed, (b) for complying with any duty of disclosure, (c) for prosecuting any of said applications, (d) for filing and prosecuting substitute, divisional, continuing or additional applications covering said Assigned Patents, (e) for filing and prosecuting applications for reissue of any of said Assigned Patents, (f) for interference or other priority proceedings involving said Assigned Patents, (g) for legal proceedings involving the Assigned Patents, any applications therefor and any patents granted thereon, including opposition proceedings, cancellation proceedings, priority contests, public use proceedings, reexamination proceedings, compulsory licensing proceedings, infringement actions and court actions, and (h) for obtaining from Assignors’ counsel, transfer to Assignee of all relevant documents and materials related to the Assigned Patents. Assignee shall direct its employees (including all employed inventors for any of the Assigned Patents) to provide such cooperation, and to assist Assignee in obtaining such cooperation from any other inventors of any of the Assigned Patents (whether then employed or not). Assignors irrevocably constitute and appoint Assignee, with full power of substitution, to be their true and lawful attorney, and in their name, place or stead, to execute, acknowledge, swear to and file, all instruments, conveyances, certificates, agreements and other documents, and to take any action which shall be necessary, appropriate or desirable to effectuate the transfer, or prosecution of the Assigned Patents in accordance herewith; provided, however, that such power shall be exercised by Assignee only if Assignors fail to promptly take the necessary actions required hereunder to affect or record such transfer, or for prosecution of such Assigned Patents following Assignee’s reasonable request, and being given a reasonable

opportunity to do so. This power of attorney shall be deemed to be coupled with an interest and shall be irrevocable.

4. Terms of the Purchase Agreement. Notwithstanding anything to the contrary herein, Assignors and Assignee are executing and delivering this Agreement in accordance with and subject to all of the terms and provisions of the Purchase Agreement (including, without limitation, the acknowledgement and disclaimer set forth in Section 2.16 thereof). In the event of a conflict between the terms and conditions of this Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of this Agreement shall govern, supersede and prevail.

5. Governing Law; Venue; Waiver of Jury Trial. This Agreement shall be construed in accordance with, and governed in all respects by, the internal laws of the State of Delaware, without giving effect to the principles of conflicts of laws. The remaining provisions of Section 9.13 (Governing Law; Jurisdiction) and 9.15 (Waiver of Jury Trial) of the Purchase Agreement are incorporated herein by reference *mutatis mutandis* as if set forth herein.

6. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or by electronic delivery in .pdf format shall be sufficient to bind the parties to the terms and condition of this Agreement.

7. Amendment; Waiver. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by each party or, in the case of a waiver, by the party against whom the waiver is to be effective.
