ASSIGNMENT

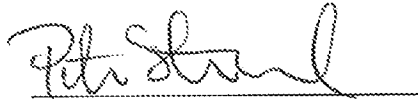

WHEREAS, we, Peter Stambeck and Kjell Alving have invented certain improvements in a **METHOD FOR COLLECTING PARTICLES FROM EXHALED BREATH USING A PORTABLE SAMPLING DEVICE**, for which have been filed an application for Letters Patent of the United States of America; and

WHEREAS, **Munkplast AB**, having its principal place of business at Hällnäsgratan 6, 752 28 Uppsala, Sweden, is desirous of acquiring the entire right, title and interest in and to said invention;

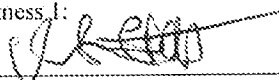

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Peter Stambeck and Kjell Alving by these presents, do hereby sell, assign and transfer unto the said corporation and its assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest, including all priority rights under the International Convention associated with each country of the Union, in and to said invention as described in U.S. patent application Ser. No. 16/811,162, filed March 6, 2020, and in and to said application and any Letters Patent that may be granted in pursuance of said application and any divisional, continuation or continuation-in-part application thereof, and in and to any reissue or re-examination of any such patent, and in and to any patent applications which may be filed on said invention in countries foreign to the United States and any Letters Patent granted thereon, and in and to any damages as a result of any infringement of the rights that may have occurred before the effective date of this Assignment.

We further authorize said company to apply for foreign patents on said invention in its own name or through its designees, including subsidiaries, related companies or assignees, under the International Convention or otherwise, and we further agree to execute all papers, including those required for the United States and foreign applications, and to perform such other proper acts as said company may deem necessary to secure to said corporation or its designees the rights herein assigned.
