## PATENT AND INVENTION ASSIGNMENT

WHEREAS, we, the undersigned:

**MICHAEL A. ZUMBRUM**, a citizen of the United States of America, residing at 22 Emerald Lane, New Oxford, Pennsylvania 17350, **WILLIAM KIMMICK**, a citizen of the United States of America, residing at 3309 Lisburn Road, Mechanicsburg, Pennsylvania 17055 and **KEVIN PERDUE**, a citizen of the United States of America, residing at 3719 Green Spring Road, Havre de Grace, Maryland 21078, (hereinafter referred to as "**Assignors**"), have invented certain new and useful improvements disclosed in a patent application entitled:

### **SHAKER FLASK STAND WITH COMPOSITE LEGS**

(Attorney Docket No. A259 1160US.2).

WHEREAS, **SARTORIUS STEDIM NORTH AMERICA INC.**, a corporation organized and existing under the laws of the State of Delaware, having its principal place of business at 565 Johnson Avenue, Bohemia, New York 11716, hereinafter called **Sartorius Stedim North America Inc.**, desires to acquire all right, title, and interest in the patent application identified above, all related inventions, and all patents which may be obtained from said application in designated countries, as set forth below;

NOW, THEREFORE, for good and valuable and legally sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned **Assignors** individually have assigned and by these presents do assign and transfer unto **Sartorius Stedim North America Inc.** the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said patent application, (ii) in and to said application, (iii) in and to all divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof, (v) in and to any provisional

patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority has been or may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and **Assignors** do hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **Sartorius Stedim North America Inc.** as Assignee, for its interest and for the sole use and behoof of **Sartorius Stedim North America Inc.** and its assigns and legal representatives;

For the same consideration, **Assignors**, by these presents, do sell, assign and transfer to **Sartorius Stedim North America Inc.**, the full, exclusive and entire right, title and interest: in and to any and all applications worldwide for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which are hereafter filed in countries foreign to the United States and describing in whole or in part the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of **Sartorius Stedim North America Inc.** or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, **Assignors** agree to communicate to **Sartorius Stedim North America Inc.**, its successors, legal representatives and assigns, any facts known to **Assignors** respecting said invention, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Sartorius Stedim North America Inc.**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.

If this assignment is submitted for recordation at a time other than at the time of filing said patent application, Assignors hereby authorize the above-mentioned assignee or the attorney of record to insert in this instrument the filing date and serial number of said application after the same shall have been identified:
