In exchange for being employed by Intel Corporation, its subsidiaries, affiliates, or successors (herein "Intel"), I agree that:

1. **General Conduct** While working for Intel, I will perform my assigned duties and comply with all Intel policies, procedures, guidelines, rules and instructions, including Intel's Corporate Business Principles.

2. **Prior Third Party Information**

3. **Confidential Information**

4. **Intellectual Property** During my employment with Intel I will, without additional compensation, promptly disclose and, to the full extent allowed by law, assign to Intel all rights to which I may be entitled with respect to patents, trade secrets, copyrights, mask works, trademarks, inventions, discoveries, designs, formulae, processes, methods, manufacturing techniques, improvements, ideas, copyrightable works and other intellectual property: (a) which relate to Intel's past, present, or demonstrated or reasonably foreseeable future business or research, whether or not developed during normal working hours; or (b) which are developed with the use or aid of any Intel equipment, supplies, or facilities; or (c) which use or are based on or developed from any proprietary or confidential information of Intel, or of a third party, access to which I obtain through Intel or in the course of my duties at Intel. At all times, both during and after my Intel employment, I will do whatever is reasonably requested by Intel, at Intel's expense, to assist Intel in obtaining and enforcing Intel's rights throughout the world with respect to the assignments which I have made or am obligated to make to Intel under this Agreement.

As to any intellectual property rights, whether vested or pending, which I own or control in whole or in part, either prior to joining Intel or at any time during my employment with Intel, I grant Intel a nonexclusive, nontransferable, perpetual, irrevocable, royalty-free, worldwide license, with the right to sublicense, to make, have made, use, sell, offer to sell, import, reproduce, have reproduced, prepare derivative works of, distribute and otherwise dispose of any product or document, except that I do not grant any license to any item of intellectual property which is identified by me in Appendix A at the time of execution of this Agreement and such Appendix A is submitted directly by me to Intel Legal and actually received by Intel Legal within five working days of my hiring.

5. **Miscellaneous** I understand and agree that my employment with Intel is "at will." This means that both Intel and I have the right to terminate my employment at any time, with or without advance notice and with or without cause. This Agreement: (a) survives my employment by Intel, (b) insures to the benefit of successors and assigns of Intel, and (c) is binding upon my heirs, assigns and legal representatives.
