ASSIGNMENT

WHEREAS, TensorDRO, Inc. (hereinafter, the "Assignor"), a corporation of Delaware, and having a place of business in Nashville, TN, is the owner of the entire right, title, goodwill and interest in and to the Patent Applications listed in Schedule A;

WHEREAS, TensorX, Inc. (hereinafter "Assignee"), a corporation of Delaware, and having a place of business in Nashville, TN, desires to acquire the entire right, title, and interest in and to the Patent Applications from Assignor, including the right to sue for and collect for any infringement thereof;

WHEREAS Assignor desires to assign the entire right, title, and interest to the Patent Applications, and any Patents issuing therefrom, to Assignee, including the right to sue for and collect for any infringement thereof;

NOW, THEREFORE, in good and valuable consideration for, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound:

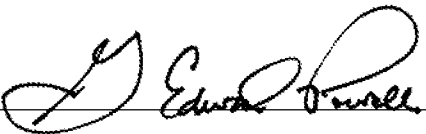

1. Assignor hereby sells, assigns, transfers and conveys Assignor's entire right, title, goodwill, and interest in and to the Patent Applications, including without limitation any Patents issuing therefrom, and any foreign counterparts of any of the foregoing including the right to claim priority, together with the right to sue for damages and other relief for past and current infringements of the Patents, to Assignee for Assignee's own use (and for the successors, assigns and legal representatives of Assignee), the same to be held and enjoyed by Assignee (and Assignee's successors, assigns and legal representatives) as fully and entirely as the same would have been held and enjoyed by Assignor had this Patent Assignment not been made.

2. Assignor warrants that it has good and valid title to the Patent Applications. Assignor agrees that Assignor will, upon request of Assignee, execute and deliver to Assignee any and all additional papers and generally do all other and further lawful acts deemed necessary by Assignee to continue, secure, defend, register and otherwise give full effect to and to perfect the rights of Assignee under this Patent Assignment, including all documents necessary to register in the name of Assignee the assignment of each of the Patent Applications in the United States.
