ASSIGNMENT

WHEREAS, VOLKSWAGEN AG ("VW"), a corporation of Germany having a place of business at Berliner Ring 2, Wolfsburg, Germany 38440, is the owner of the inventions as described and claimed in the specification for each of the patent applications listed on the attached Schedule ("the Intellectual Property");

WHEREAS, AUDI AG ("Audi"), a corporation of Germany having a place of business at Ingolstadt, Germany 85043;

WHEREAS, VW and Audi desire to be co-applicants and co-owners in and to these inventions and the Intellectual Property;

WHEREAS, VW agrees to sell, assign, transfer and convey to Audi shares of VW's right, title, and interest in and to these inventions and the Intellectual Property, so that both VW and Audi have a shared undivided right, title and interest in and to these inventions and in and to any letters patents that may be granted therefor in any and all countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, VW hereby confirms the sale, assignment and transfer to Audi of an undivided, shared right, title and interest in and to said inventions and the Intellectual Property, and any and all letters patents which may be granted for said inventions in the United States of America and its territorial possessions including any extensions or adjustments in term thereof and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, and including the right to sue and collect damages for past and present infringement of said letters patent, said inventions, applications, and all letters patents on said inventions to be held and enjoyed by VW and Audi, as co-applicants and co-owners, and their successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by VW had this assignment, transfer and sale not been made. VW hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all letters patents on said inventions to VW and AUDI. VW and Audi agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patents on said inventions, for litigation regarding said letters patents, or for the purpose of protecting title to said inventions or letters patent therefor.
