PATENT ASSIGNMENT

THIS AGREEMENT is made by and between:

Ehsan FOROUGH of 62 Newton Drive, Toronto, Ontario M2M 2M9, Canada;
Houssam HAIDAR of 1505-35 Bastion Street, Toronto, Ontario M5V 0C2, Canada;
Calvin LO of 44 Whitmer Street, Milton, Ontario L9T 0R5, Canada;
Lauren PARK of 2313 - 16 Yonge Street, Toronto, Ontario M5E 2A1, Canada;
Rohit Kumar SETHI of 252 Windermere Avenue, Toronto, Ontario M6S 3K3, Canada;
Emin THAM of 15678 77B AVE, Surrey, British Columbia V3S 3P9, Canada; and
Geoffrey Charles WHITTINGTON of 610 Sandringham Drive, Waterloo, Ontario N2K 3L9,
Canada;

(hereinafter the "Assignors");

and 1230604 BC Ltd. (hereinafter the "Assignee") having its primary place of business at 1 Yonge Street, Suite 1801, Toronto Ontario M5E 1W7, Canada, (hereinafter collectively known as the "Parties").

WHEREAS, the Assignors have invented certain new and useful improvements, technology, inventions, developments, ideas, ornamental designs, or discoveries (hereinafter the "Work") related to "JUST-IN-TIME TRAINING SYSTEM AND METHOD" (the "Invention") for which a provisional patent application was filed with the United States Patent and Trademark Office on 27 October 2020 having provisional patent application number US63/105,920 (hereinafter the "Patent Application").

AND WHEREAS, the Assignee wishes to acquire all right, title and interest in and to the Patent Application and the Work, and the Assignor wishes to assign its entire interest in the Patent Application and the Work to Assignee.

NOW THEREFORE, in consideration of mutual promises, covenants, warranties, and other good and valuable consideration set forth herein, and in accordance with applicable law, the Parties hereby agree as follows:

Assignment. Assignor hereby assigns to Assignee, and its successors, representatives, and assigns, all right, title, and interest in the Patent Application and the Work, including all reexaminations, extensions, continuations, divisionals, continuations-in-part, and reissues thereof, and all worldwide patent applications and patents which derive priority therefrom in any country, and all rights of priority under any International Convention, and any patent or patent application which may hereafter be granted or filed under such international convention.

Payment. In consideration of the assignment of the Patent Application pursuant to this Agreement, and of the promises and covenants contained herein, Assignee shall pay to Assignor a fee in the amount of Ten dollars (\$10.00), payable upon execution of this Agreement.

Assignor’s Representations and Warranties. Assignor hereby represents and warrants i) that the Assignor has the legal right and authority to execute this Agreement and to validly assign the entire interest in the Patent Application to Assignee, ii) that the Assignor has not executed any other agreement that would conflict with the terms of this Agreement, and iii) while bound by this Agreement, the Assignor will not enter into any other agreements, or otherwise incur any obligations, that conflict with this agreement.

Further Actions. Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in the Patent Application and in enforcing any and all protections or privileges deriving from the Patent Application or any patent claiming priority therefrom. Assignor covenants and agrees that Assignor will communicate to Assignee, its successors, legal representatives and assigns, any facts known to Assignor respecting the Work, assist in preparation of any other patent applications relating to the Patent Application and the Work, testify in any legal proceeding, and generally aid the Assignee, its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for the Work in all countries desired by the Assignee.

This Agreement is governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the date and at the location indicated below, in the province of Ontario, in the Country of Canada, by:

Assignor hereby represents and warrants i) that the Assignor has the legal right and authority to execute this Agreement and to validly assign the entire interest in the Patent Application to Assignee, ii) that the Assignor has not executed any other agreement that would conflict with the terms of this Agreement, and iii) while bound by this Agreement, the Assignor will not enter into any other agreements, or otherwise incur any obligations, that conflict with this agreement.

Further Actions. Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in the Patent Application and in enforcing any and all protections or privileges deriving from the Patent Application or any patent claiming priority therefrom. Assignor covenants and agrees that Assignor will communicate to Assignee, its successors, legal representatives and assigns, any facts known to Assignor respecting the Work, assist in preparation of any other patent applications relating to the Patent Application and the Work, testify in any legal proceeding, and generally aid the Assignee, its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for the Work in all countries desired by the Assignee.

This Agreement is governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.

PATENT ASSIGNMENT

THIS AGREEMENT is made by and between:

Ehsan FOROUGHJ of 62 Newton Drive, Toronto, Ontario M2M 2M9, Canada;
Houssam HAIDAR of 1505-35 Bastion Street, Toronto, Ontario M5V 0C2, Canada;
Calvin LO of 44 Whitmer Street, Milton, Ontario L9T 0R5, Canada;
Lauren PARK of 2313 - 16 Yonge Street, Toronto, Ontario M5E 2A1, Canada;
Rohit Kumar SETHI of 252 Windermere Avenue, Toronto, Ontario M6S 3K3, Canada;
Emin THAM of 15678 77B AVE, Surrey, British Columbia V3S 3P9, Canada; and
Geoffrey Charles WHITTINGTON of 610 Sandringham Drive, Waterloo, Ontario N2K 3L9,
Canada;

(hereinafter the "Assignors");

and 1230604 BC Ltd. (hereinafter the "Assignee") having its primary place of business at 1 Yonge Street, Suite 1801, Toronto Ontario M5E 1W7, Canada, (hereinafter collectively known as the "Parties").

WHEREAS, the Assignors have invented certain new and useful improvements, technology, inventions, developments, ideas, ornamental designs, or discoveries (hereinafter the "Work") related to "JUST-IN-TIME TRAINING SYSTEM AND METHOD" (the "Invention") for which a provisional patent application was filed with the United States Patent and Trademark Office on 27 October 2020 having provisional patent application number US63/105,920 (hereinafter the "Patent Application").

AND WHEREAS, the Assignee wishes to acquire all right, title and interest in and to the Patent Application and the Work, and the Assignor wishes to assign its entire interest in the Patent Application and the Work to Assignee.

NOW THEREFORE, in consideration of mutual promises, covenants, warranties, and other good and valuable consideration set forth herein, and in accordance with applicable law, the Parties hereby agree as follows:

Assignment. Assignor hereby assigns to Assignee, and its successors, representatives, and assigns, all right, title, and interest in the Patent Application and the Work, including all reexaminations, extensions, continuations, divisionals, continuations-in-part, and reissues thereof, and all worldwide patent applications and patents which derive priority therefrom in any country, and all rights of priority under any International Convention, and any patent or patent application which may hereafter be granted or filed under such international convention.

Payment. In consideration of the assignment of the Patent Application pursuant to this Agreement, and of the promises and covenants contained herein, Assignee shall pay to Assignor a fee in the amount of Ten dollars (\$10.00), payable upon execution of this Agreement.

Assignor's Representations and Warranties. Assignor hereby represents and warrants i) that the Assignor has the legal right and authority to execute this Agreement and to validly assign the entire interest in the Patent Application to Assignee, ii) that the Assignor has not executed any other agreement that would conflict with the terms of this Agreement, and iii) while bound by this Agreement, the Assignor will not enter into any other agreements, or otherwise incur any obligations, that conflict with this agreement.

Further Actions. Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in the Patent Application and in enforcing any and all protections or privileges deriving from the Patent Application or any patent claiming priority therefrom. Assignor covenants and agrees that Assignor will communicate to Assignee, its successors, legal representatives and assigns, any facts known to Assignor respecting the Work, assist in preparation of any other patent applications relating to the Patent Application and the Work, testify in any legal proceeding, and generally aid the Assignee, its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for the Work in all countries desired by the Assignee.
