ASSIGNMENT

WHEREAS I, the below named inventor, [hereinafter referred to as "Assignor"], have made an invention entitled:

PROTECTIVE PACKAGING STRUCTURE FOR COMPRESSIBLE MATERIALS

for which I have executed or authorized the execution of a U.S. patent application for United States Letters Patent filed on **February 7, 2018** and assigned Patent Application No. **15/890,788**, and also PCT International Application No. **PCT/US2018/017250**, filed on **February 7, 2018**;

WHEREAS, **ETS TECHNOLOGY HOLDINGS, LLC**, a United States company, and having an address at 13210 Dillon Outer Road, Rolla, Missouri 65401 [hereinafter referred to as "Assignee"], desires to secure the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, hereby acknowledge that I have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority (if any), as well as all rights to claim priority on the basis of this application, and all applications for Letters Patent which may be granted on this invention throughout the world, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States and any Official of any country or countries foreign to the United States whose duty it is to issue patents on applications as described above, to issue all Letters Patents for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY affirm my belief that I am the original inventor of a claimed invention in these applications, and I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Agreement;

AND, I HEREBY further affirm and agree that I will, without further consideration, communicate to the Assignee, its successors and assigns, any facts known to us in respect to this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue application, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hand.
