A S S I G N M E N T

I, Dr. Stephen H. Liu, residing in Los Angeles, California, represent that I have executed applications for Letters Patents of the United States of America for the patent applications set forth on Schedule A hereto.

IFGCure Holdings, LLC is a Delaware limited liability company organized and existing under the laws of the State of Delaware, has a place of business at 11301 W Olympic Blvd, #552 Los Angeles, CA 90064, and desires to acquire the entire right, title and interest in and to the inventions, applications and letters patents to be granted and issued thereon.

For valuable consideration, the receipt and legal sufficiency of which I acknowledge, I have sold and do hereby sell, assign, transfer and set over unto IFGCure Holdings, LLC, its successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the applications for letters patents thereon, in and to applications pertaining to or based upon the inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of IFGCure Holdings, LLC, execute any and all applications for letters patent for the inventions, execute any and all other papers and documents and do all other and further lawful acts that IFGCure Holdings, LLC may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in IFGCure Holdings, LLC the undivided interests in the right, title and interest in the inventions, applications and letters patents.

I also authorize and empower IFGCure Holdings, LLC, its successors and assigns to apply for and obtain, in its or their own names, letters patents for the invention before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patents can be so made or letters patents so obtained.
