PATENT ASSIGNMENT AND AGREEMENT

For value received, the **Warren Engine Company** having an address of 129 South Royal Street, Suite 5 Alexandria, Virginia 22314 and 20 Good Shepherd Road, Bluemont, Virginia 21035 hereby sells, assigns and transfers to **ENGINUITY POWER SYSTEMS, INC** presently located on 730 South Washington Street, Alexandria, Virginia 22314 and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions described in the **Patents and Patent Applications listed in Appendix A** (collectively "patent assets"), and all the rights and privileges in said patent assets and under any subsequent patent applications and Letters Patent that may be granted in the United States or worldwide for said inventions, including, all past, present and future damages that may have accrued based on an infringement of any of such patents; the **Warren Engine Company** also hereby sells, assigns and transfers to **ENGINUITY POWER SYSTEMS, INC** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the patent assets aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions; and the **Warren Engine Company** also hereby sells, assigns and transfers and all right to bring suit and recover past, present and future damages arising from said inventions.

The **Warren Engine Company** authorizes **ENGINUITY POWER SYSTEMS, INC** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from the **Warren Engine Company**, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

The **Warren Engine Company** hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **ENGINUITY POWER SYSTEMS, INC** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

The **Warren Engine Company** requests that any and all patents for said inventions be issued to **ENGINUITY POWER SYSTEMS, INC** in the United States and in all countries foreign to the United States, or to such nominees as **ENGINUITY POWER SYSTEMS, INC** may designate.
