Inventor to corporate assignment: clarification and evidence

The undersigned,

Esko Ahlbom,

Gitarrvägen 47

SE-756 54 Uppsala, Sweden

hereinafter termed "Inventor", has invented certain new and useful improvements in an invention with title

METHOD AND CONTROLLER FOR PREVENTING FORMATION OF DROPLETS IN A HEAT EXCHANGER

and

☐ as described in a provisional application for a United States patent disclosing and identifying the above invention on _____ as Application No. _____;

☒ as described in a non-provisional application for a United States patent disclosing and identifying the above invention filed on 11 June 2021 as Application No 17/413,458;

☒ as described in the international (PCT) application disclosing and identifying the above invention filed on 10 December 2019 as Application No. PCT/SE2019/051263,

☒ as described in the Swedish patent application disclosing and identifying the above invention filed on 14 December 2018 as Application No. 1851592-4,

☐ as described in a non-provisional application herewith, and

(hereinafter termed "applications");

All rights to the invention and its following immaterial rights as identified by the above mentioned applications are fully transferred to **CLIMEON AB**, a corporation having a place of business at **Torshamnsgatan 44, Kista 164 40, Sweden** (hereinafter termed "Assignee" or "Company"), as per employment contract between Inventor and Assignee.

The following are the original paragraphs of the relevant part of the Inventors employment contract with the assignee dated 1st of February, 2014, relating to ownership of immaterial rights in Swedish and translated into English.

The Inventor is confirming by signature that the translation is correct and the Assignee is confirming by signature that said employment contract exists.

Original paragraphs in Swedish:

6.2 Samtliga rättigheter knutna till koncept, idéer, uppfinningar eller annan immateriell tillgång eller immateriella prestationer som Esko Ahlbom skapar eller framställer som ett led i hans arbetsuppgifter eller efter instruktioner av Bolaget eller i övrigt genom användning av Bolagets

tekniska utrustning eller dess konfidentiella information, tillkommer i sin helhet Bolaget med uteslutande av varje annan rätt.

6.3 Esko Ahlbom åtar sig, även efter anställningstiden, att inte, vare sig direkt eller indirekt, nyttja sådana tillgångar och/eller prestationer – eller med sådana tillgångar/prestationer förväxlingsbara tillgångar/prestationer – samt att i erforderlig utsträckning biträda Bolaget och medverka till att det kan erhålla, överlåta eller vidmakthålla sådana immaterialrätter som tillkommer det enligt ovan.

Translation to English:

6.2 All rights relating to concepts, ideas, inventions or any other intellectual asset or accomplishment which Esko Ahlbom creates or conceives as part of his work tasks, or following instructions by the Company, or otherwise using Company's technical equipment or its confidential information, will be in its totality property of the Company, excluding any other rights.

6.3 Esko Ahlbom commits himself, even after termination of his employment period, not to use, directly or indirectly, such assets and/or accomplishments or assets and/or accomplishments which could be confused with the (first mentioned) assets and/or accomplishments, and, to the degree necessary, assist and cooperate with the Company such that Company can receive, assign or maintain such immaterial rights which Company is entitled to according to the above.

IN WITNESS WHEREOF, said Inventor a) confirms that the translation of Swedish text, is correct to his best knowledge, b) that, when requested, distribution of his employment contract to any international patent authority is permitted, and c) has executed and delivered this instrument to said Assignee as of the date written below.
